

Messenger service—suit topic

A hearing will be held at 10 a.m. Wednesday in Madison County Circuit Court at Edwardsville on a complaint seeking a temporary injunction against attempts to keep the Finish Line Express messenger service at 1415 Twenty-first St. from re-opening. The case had not been assigned to a judge this morning.

Attorney Carmen S. Durno, attorney with the Rice and Durno law firm of Belleville, signed the complaint for Finish Line Express, Inc., seeking an injunction to enjoin Granite City Chief of Police Ronald J. Veizer and Madison County State's Attorney Nicholas Byron from enforcing a state statute which prohibits the operation of

Robbery at restaurant

Two men wearing ski masks robbed the Long John Silver Restaurant at 2717 Nameoki Road Saturday night, took wallets from two occupants and fled, escaping with a total of \$868.

The robbery occurred at 10:30 p.m. when one of the men wearing a red ski mask forced his way into the restaurant through a rear door and held three men at gunpoint.

He was joined by a second man, also wearing a ski mask. Kevin Estes, manager of the restaurant and one of the three persons present when the holdup occurred, told police the first man who entered carried a handgun, apparently a .38 caliber revolver.

The robber entered as Dave Jackson, 2001 Manley Ave., opened the rear door to see if his ride had arrived. The man grabbed Jackson and pushed him back into the restaurant, the second robber appearing immediately after.

The man in the red ski mask asked Estes if anyone else besides Estes, Jackson and Randy McBride, 115 Wilson Lane, who was with Estes near the rear door, was in the restaurant.

Estes replied that there was not and the robber told all three men to lie on the floor.

The two men then removed a bank bag from the office which contained \$402 in currency, and took \$300 from a desk safe. The three victims then were asked for their wallets, removing the money from them.

The wallets were thrown into a wash bucket. Police said \$150 was taken from Estes' wallet and \$15 from McBride's wallet.

According to Estes, the robber in the red ski mask asked him for his car keys, but as he did so the other man said, "Forget it, here he is now." Both men then left through the rear door after tearing the phone off the wall.

Local links in transit planning

The Illinois portion of the St. Louis metropolitan region has a history as a rail center. This

ready availability of rail lines makes Illinois a prime candidate area for light rail transit

service, planners said today in discussing a series of public meetings Nov. 30-Dec. 8.

Light rail transit service is one of three alternative transit systems being proposed for the St. Louis region by the East-West Gateway Coordinating Council, the St. Louis metropolitan area's comprehensive planning agency.

The other two proposed transit systems are an all-bus system and a freeway bus system.

One of these three systems will be implemented as the region's improved transit system—if citizens feel there is a need for transit system improvements.

With concerns for environmental pollution, the energy dilemma and traffic congestion mounting, the need for public transportation is

Cosell will get his lumps here tonight

If the Miami Dolphins' 55-14 defeat of the Cardinals Thanksgiving Day was not enough to discourage watching televised football, the weekly appearance of sportscaster Howard Cosell each Monday night, for some, is not only enough, but too much.

Cosell, who usually ends up with the upper hand, even when interviewing Muhammad Ali,

must be "stopped," some of his more vociferous critics contend.

Granite City sports fans who feel that way will have an opportunity tonight to "lobber Cosell" during a special promotion at the OK Corral Lounge, Nameoki Road near Johnson Road.

Snowfall factor in crashes

A heavy snowstorm which began Saturday evening and continued through Sunday morning dropped five inches of snow on the Quad-City area, slowing traffic and causing numerous auto accidents.

Illinois State Police this morning were attempting to "sort out" numerous accident reports and were unable to release information on accidents caused by the icy pavement on Interstate 270 and elsewhere.

Witnesses reported a tractor-trailer overturned on I-270 at Route 111 at 11 a.m. Sunday and three persons from Chickasha, Okla., were taken by ambulance to St. Elizabeth Hospital.

Jeff Kinlaw, 25, the driver of the tractor-trailer, suffered abrasions to his forehead, back and right calf and was released from the hospital after x-rays and treatment. He said the truck jackknifed and went into a ditch.

Richard Worbes, 25, also of Chickasha, said he was in the sleeper portion of the cab and was thrown around when the truck overturned. He was admitted to the hospital with possible head injuries and abrasions to his left arm, left middle finger and head.

Brenda Kinslow, 25, a passenger in the truck, was examined for pain to her right side and an abrasion to her right arm. She was released after x-rays were taken.

At the same time, a Morton, Ill., couple was taken by ambulance to the hospital. Louis Weitekamp, 34, said his auto was struck from behind by one auto and from the front by another. He was examined for back pain. Cervical strain was diagnosed and he was released.

Judy Weitekamp, 31, a passenger, was x-rayed for pain to her right leg and was released.

State police said they are

Tax cut

The Madison County Board last week passed a record \$5.2 million budget, \$12 million higher than the past year—but taxpayers will still receive an approximate four-cent reduction from the most recent county tax.

"This is a balanced budget," board Finance Committee Chairman William Little told the board Wednesday.

This year's county tax rate was 58.8 cents for \$100 of assessed valuation; next year's is expected to be near \$4.672 cents.

There are several major reasons why the tax rate will go down for the coming year at the same time the total budget has skyrocketed:

—The county is receiving more federal funds.
—The 2.2 cent working cash fund included in the budget the past two years won't be levied.
—County revenues such as

the state income tax are increasing.
The 54.672 cent county tax projection based on last year's assessed valuation

Progress on project at hospital

St. Elizabeth Hospital's \$18 million renovation-expansion program, which is progressing rapidly, includes a new cafeteria which will appear like the accompanying sketch when finished. The dining area will be located at 21st Street between the Madison Avenue and Iowa Street wings of the hospital.

A separate, 50-bed psychiatric building is being constructed, in addition to a new power plant.

An ancillary services structure will house and expand the x-ray department, storeroom, emergency room, business office, admitting office, food service, safety security office, social service, public relations, pastoral care department and coffee and gift shop.

The medical records section, medical library and physicians' lounge will be enlarged and renovated. Total bed capacity will rise to 471, with 172 new hospital jobs created.

Among the areas being expanded are radiology, the laboratory, central stores, the pharmacy and the cardiopulmonary unit.

3 from county join health agency board

Elections have been held to fill 16 positions falling vacant on the 60-member board of directors of the Greater St. Louis Health Systems Agency and to fill three positions falling vacant on the HSA nominating committee.

The elections took place at the annual meeting of the agency's general assembly. The new board and nominating committee members will take office Wednesday at 8:30 p.m. in the HSA board room, 915 Olive St., 15th floor.

Elected to the board of directors from Madison County were Martha Gausen, Collinsville, consumer, business and professions; Rev. L. C. Suggs, Alton, consumer, community representative; and Sally Friedrich, Highland, consumer, community representative.

Also elected to the board were:

Patricia Brandt, R.N., St. Louis city, provider, health professional; Alphonse J. Lynch, St. Louis city, provider, private health agency; Josephine Lockhart, St. Louis city, consumer, community representative; Ron Gamache, St. Louis County, consumer, major purchaser.

George Beck, St. Louis County, provider, health insurer; Robert Coleman, St. Charles, County, provider, health care institution; Donna Lindaman, Franklin County, consumer, community representative; George Tiley, Franklin County, consumer, business and professions; Jo Ann Sheffield, St. Clair County, consumer, community representative; Juanita Clemons, St. Clair County, consumer, community representative.

The act mandated that such health systems agencies be governed by voluntary boards, broadly representative of their region and having a majority of consumers of health care services. One of the principal reasons given such boards is the approval of a regional plan for improving health care in its service areas.

Mary E. Lee is the director of community development and health education, at (314) 241-5810.

Gilbert Redman, 54, dies

Gilbert W. Redman, 54, of 2108 Illinois Ave., died at 8:40 p.m. Saturday at St. Elizabeth Hospital.

Michael Seley, 26, of 65 Kaseberg Park, Pontoon Beach, was injured when his auto went over the curb and struck a utility pole on Route 165 west of Namooki Road, at 11:40 a.m. Thursday. He was taken by Granite City Ambulance to St. Elizabeth Hospital where he was admitted with a cut to his right cheek and other head injuries.

Huber rejoins board at port

Governor James R. Thompson is announcing his appointment of Homer A. Huber to the Tri-City Regional Port District board.

A former member of the Port board, Huber is being named to the unsalaried board position for a term ending in June 1979. Senate confirmation is not required.

A Granite City furniture dealer for 46 years, Huber retired in 1975.

He is a longtime member of the Madison County Board of School Trustees and was elected as its president in 1976.

A past president of the Granite City Rotary Club and of the Associated Retailers and Civic Association, and a director of the Granite City Trust and Savings Bank, Huber has been active on the Granite City Plan Commission.

The port board consists of four members appointed by the governor and one each appointed by the mayors of Granite City, Madison and Venice.

Christmas season safety suggestions

Glass Christmas tree ornaments definitely are not recommended for baby's diet this holiday season.

Abundant statement? Of course. But not as abundant as you might think.

Every Christmas season, physicians are called upon to give emergency treatment to small children who have swallowed bits of ornaments and glass.

Christmas is a time of bright little lights on a tree in the parlor, of shiny glass ornaments and decorations, of filmy spun glass filaments, of toys that sometimes have sharp, rough edges, of lots of candy, nuts and other rich edibles.

These are part of Christmas, and no one is suggesting there's anything wrong about it.

At this holiday season, however, it is pointed out once again that there are safety hazards at Christmas that aren't encountered during the rest of the year...hazards that can turn a happy holiday into tragedy.

—Check over old strings of Christmas tree lights and discard those that are worn or brittle. If there are very small children around the house, discard burnt-out bulbs with caution, so baby can't get at them.

—Keep the glass ornaments and filmy glass "angel hair" out of baby's reach. The ornaments crumble readily into

sharp slivers.

—Make absolutely certain that no toys coated with lead-based paint are included in Santa's pack. Lead poisoning is a danger should the child chew on the toy. Almost all manufacturers now avoid dangerous paints.

—Select toys with a minimum of sharp, rough edges — toys that won't burn quickly if flicked through a candle flame — toys that are large enough so that babies can't swallow them.

—Electrical toys, such as trains, should be selected with safety in mind. Is the wiring intact and strong, or is it loose and filmy?

—Air rifles, sling shots, archery sets and other missile-throwing toys are obviously dangerous if carelessly used. Set up a target range and make certain the youngster is taught to use the toy properly and safely.

This list could be continued, but you can make your own. The prime thing to remember is that in the bustle and excitement of Christmas, accidents can happen.

processing reports of a five-vehicle accident on I-70 about the same time.

Witnesses also reported an overturned tractor-trailer about 7 p.m. Sunday on I-70 between Route 203 and Route 111, but it is not believed anyone was injured in that accident.

Five inches of snow were recorded at the Chain of Rocks Locks and Canal during the 24-hour period from 6 a.m. Saturday to 8 a.m. Sunday.

Melted, the snow represented one-half of precipitation during the period. That brought the total for the month to 3.36 inches of precipitation, which exceeds the normal precipitation for November of 3.57 inches.

Additional precipitation in the form of rain or snow is being predicted for tonight through Thursday.

The snowfall this weekend followed five relatively dry days. Only .05 of an inch of precipitation was measured during the period from 2 a.m. Monday, Nov. 22, through 8 a.m. Sunday, and that was recorded Wednesday morning.

The previous week was marked by four days of rain. A total of 1.3 inches was measured Wednesday morning. Nov. 19, another 2.2 of an inch was noted on Saturday, Nov. 19, 3.8 of an inch the following morning and 2.5 of an inch measured at 8 a.m. Monday, Nov. 21.

Lionel Portell, superintendent of streets, said he called out crews of workers at 10:30 p.m. Saturday as the snow began accumulating.

Two snow plows were kept operating throughout the night, he said, with extra men working on the job until 9:30 p.m. Sunday.

The workers used approximately 50 tons of salt treating intersections where glaze ice developed as the temperatures dropped throughout the night. Portell said the salt was mixed with cinders.

Early today Portell said his department would resume use of snow plows to break up ice on city streets after it had a chance to become softened by rising temperatures.

The National Weather Service said more cold weather is in the forecast with snow and rain possible tonight and Tuesday. Fair skies are expected Wednesday, and there is a chance of rain or snow Thursday, the weather service said.

Snow and icy streets were not causing any major problems in the snow Sunday and 13 auto accidents in Granite City during the weekend.

Police responded to seven accidents in the snow Saturday and six Sunday. Additional accidents were expected this morning as officers were reporting "glaze" conditions at numerous intersections.

The temperature skidded during the snow Sunday to a record low of 7 degrees above zero for that date — Nov. 26. The previous record had been 10 above in 1898.

The low during the past 24 hours was 15 at 4 a.m. today. Low temperature tonight is expected to be in the low 20s. Because of rising temperatures which reached 35 degrees Sunday afternoon, virtually all major state highways were cleared of ice and snow by yesterday evening, although icy patches remained in some areas.

State police at Maryville reported a deluge of calls resulting from minor accidents throughout the area early Sunday. State snow plows and salt trucks were busy throughout Saturday night and Sunday morning.

The snowfall here was part of a storm that moved through the Midwest during the busy Thanksgiving holiday season, snarling traffic in many localities.

As of Sunday night 429 persons had died in traffic accidents since the long weekend holiday began Wednesday evening.

DRIVER INJURED
Willis P. Walker, 42, of Holiday Mobile Homes, was injured at 7:45 p.m. Friday when the car he was driving ran off Broadway near the overpass and struck a tree. Police said Walker's car was westbound on Broadway when the accident occurred.

Mr. Beadle was born in Attica, Ind., and had resided in Granite City for 55 years.

Henry Beadle found dead

'Sgt. Otto' is trophy winner at auto show

Henry J. Beadle, 64, of 2222 State St. was found without signs of life in his auto at 3:48 p.m. Sunday in the parking lot of Ark's Rum Dm Club, 1539 Madison Ave., and authorities are attempting to determine the cause of death. Illness is suspected.

Police first had contact with Mr. Beadle at 9 a.m. Sunday when witnesses said a vehicle had just struck a parked car at the Grand Cafe, 1413 Twentieth St., and fled from the scene.

Officers searched for a car matching the description of the one which left the accident scene and found Mr. Beadle in his auto on the Ark's parking lot.

Mr. Beadle explained to officers that he was feeling ill and intended to go into the tavern to have a soft drink when the livery occurred. He said the auto he struck was another one he owned, so he did not report the incident.

A couple in a pickup truck stopped near Mr. Beadle's auto and the driver told police he would see that Mr. Beadle was cared for. Police then left the scene.

At 3:38 p.m. they were called back to the parking lot on report of a man without signs of life in an auto. They found Mr. Beadle in his car but could not detect any heartbeat or signs of life.

Madison County Deputy Coroner William Sternberg pronounced Mr. Beadle dead at the scene and the body was taken to a Madison funeral home for an autopsy to determine the cause of death.

Detectives questioned persons in the tavern and learned that Mr. Beadle had entered the tavern when it opened and had stayed there about three hours, drinking soft drinks. He said he was ill and was going home to take a nap at 2:54 p.m. Sunday.

It is not believed his car left the lot and a customer reported about 3:45 p.m. that a man was asleep or dead in an auto on the parking lot. Police then were called.

Mr. Beadle was born in Attica, Ind., and had resided in Granite City for 55 years.

He retired in 1967 as a millwright at the Missouri

Portland Cement Co., after 20 years service. Mr. Beadle also worked at Granite City Steel for 10 years prior to his employment in St. Louis.

Candidate Henkhaus cites administrative experience

Michael S. "Mike" Henkhaus, 34, Bethalto, who has announced his candidacy for Madison County treasurer, is currently serving as the court administrator of the Third Judicial Circuit.

"I am seeking the Democratic nomination for treasurer as a loyal and independent Democrat who wants to put the interests of the people first," he comments.

"Elected office is a sacred trust — the interests of the people must come first."

"I plan to conduct my campaign in such a manner that the people will know where they stand with me — first and foremost."

"I know from my experience as an administrator that just thinking about doing a good job won't work. It takes ability and action. I can assure the voters that my candidacy will offer them that ability and action."

"Because I ran four years ago without the endorsement of the Madison County Central Committee, the foundation of my campaign came from the volunteer efforts of my family and friends. Together, we took my candidacy to the people."

"I will follow this same formula again. There are 260,000 people in Madison County and I

want to meet with and talk to as many of them as time allows.

"There are 222 Democratic precinct committeemen and I plan to meet with these elected party representatives on an individual basis."

"I have also talked to the court administrator for the state of Illinois and he has assured me that my candidacy and my position as court administrator for the Third Circuit are in no way in conflict with either the Judicial Code or the federal Hatch Act."

"With this assurance from him, I am now in a position to put my campaign efforts in motion. I will now begin to go into all the areas of Madison County to seek the support of the people," Henkhaus said.

"I have demonstrated that I can establish a broad base of support with the voters. When I ran last time, I received 48 percent of the vote and carried all but eight townships in Madison County."

"Campaigning, with the limited time and funds that I had, I think this goes to prove the effectiveness of a people-to-people campaign."

"My candidacy will offer the people a solid background as a proven administrator. I have devoted 14 years to the people in

public service.

"Prior to assuming the position of Court Administrator in 1975, I served for 12 years as a deputy circuit clerk. If I am elected as treasurer, I feel that I will be able to use my background as an administrator to run the treasurer's office efficiently and openly."

"In my position as court administrator, I have received special training in data processing, personnel management, budget planning, financial control systems, records systems and procedures."

"I will use this background and training to bring ability, efficiency and accountability to the people as treasurer of Madison County."

Henkhaus was born in Alton on Dec. 4, 1942.

He was educated in parochial schools and graduated from Civic Memorial High School in Bethalto. He attended Southern Illinois University at Edwardsville at night.

He served six years in the U.S. Army Reserve.

Henkhaus is a member of the Knights of Columbus and the National Association of Trial Court Administrators, and an associate member of the Madison County Police Association. He attends Our Lady Queen of Peace parish in Bethalto.

The candidate has held membership in the International Association of Machinists and Aerospace Workers, United Steelworkers of America, International Union of Operating Engineers and the American Federation of State, County and Municipal Employees.

He resides in Bethalto with his two sons, Mike, age nine, and Matt, seven.

Dotzauer named at EIU

In the 1977 student government elections at Eastern Illinois University at Charleston, Don Dotzauer of Granite City won the office of executive vice-president of the Student Body.

A junior majoring in accounting, Dotzauer has just completed a one-year term in the Student Senate, representing the Residence Hall District.

Dotzauer was endorsed prior to the balloting by the Eastern News, "EIU's student newspaper, in an editorial which read, in part:

"Don Dotzauer's experience, enthusiasm, intelligence and ability to grasp and understand issues makes him our unanimous choice for the office of executive vice-president."

"His knowledge of the functions of student government comes from his past experiences as co-chairperson of the Student Senate Housing Committee, where he dealt with tenant-oriented problems, and his work on the Academic Affairs Committee when it considered eliminating funds for the publication of teacher evaluations."

"In addition," the editorial continued, "as a member of the

DON DOTZAUER Wins at Eastern

Residence Hall Association and president of Triad Dormitory Complex, he has become familiar with the concerns of dorm students and has gained insight in dealing with members of the administration."

Dotzauer is a son of Mr. and Mrs. Earl (Marie) Dotzauer, 3232 Wabash Ave.

During the past summer he was employed by the Granite City Park District as a softball supervisor at Wilson Park. He is a 1975 graduate of Granite City High School South.

FROZEN FOOD TAKEN

About \$125 worth of frozen food was stolen from an outside cooler at the rear of Uncle Charlie's Restaurant, 2610 Nameoki Road, it was discovered Wednesday. The pins had been removed from the door hinges. Taken were a 50-pound case of cabbage, three cases of chicken which weighed 68 pounds each, and 24 frozen loaves.

Study joint insurance for cities

Granite City will participate in a plan by the Southwestern Illinois Council of Mayors to study the feasibility of a joint program for the purchase of insurance.

The mayor's council, in a letter to Granite City officials, noted that it has been investigating a joint insurance purchasing plan under which it may be possible to buy the types of insurance needed by municipalities at rates reduced substantially below those paid by each city in meeting its insurance needs individually.

Local share of communities taking part in the study program was set at \$75 plus \$1 for each municipal employee. Mayor Paul Schuler told the council last week that he believed the plan may be a good one and that he believed the city should participate.

The council members approved unanimously a motion by Alderman Roy Poulos that the city take part in the plan.

\$3,000 COPPER THEFT
Illinois Power Co. officials discovered at 3:50 p.m. Wednesday that copper valued at about \$3,000 had been stolen from the electrical substation at 17th Street and Grand Avenue during the previous three days. Taken were 21 copper disconnectors from posts inside the substation. They weighed about 50 pounds each. Authorities are attempting to determine if the theft is related to a similar theft from Illinois Power in Madison during the same period.

Joan Seamen is House candidate

Joan Seamen, the first woman to serve as an alderman in the City of Edwardsville, has announced her candidacy for state representative in the 56th Legislative District of Illinois.

Mrs. Seamen, currently an elementary teacher in Collinsville Community Unit District 10, has indicated that, if elected, she will devote full time to her duties as a legislator.

"In seeking names for my filing petitions, I discovered there was support throughout the entire district for a candidate of my character and caliber," Mrs. Seamen said.

"I intend to travel from one end of the area to the other, because I want all citizens to feel that they know who is working in Springfield for the things this great region needs."

In addition to an extensive educational background, Joan Seamen has also had broad experience in public service. She is a Democratic precinct committeewoman, and says she is "active in strengthening the party."

Married for twenty years to Roy Seamen, a teacher in the Granite City School District and a member of the American Federation of Teachers, she is the mother of two high school children, Kathryn, 17, and David, 16.

A native of this area, she has resided in Edwardsville for the past 17 years.

"As the campaign develops, I will present my views on the

priorities that should guide our approach to the development and strengthening of the resources of the district," Mrs. Seamen said.

"In my years as a wife, I know what families have to face in meeting needs and insuring a secure future. As a teacher, I discovered first that I had to learn in order to be a better teacher.

"In public service, I gained a grasp of the larger problems facing the district.

"Most important, in all these aspects of my experience, I developed a sound understanding of how to work effectively with others. People I work with trust me because I trust them.

"In my campaign, I'll try to show everyone in the 56th District that I am willing to listen to what they have to say, and that I am worthy of the serious trust that being a state legislator demands.

"In the months to come, I am going to need all the help and support I can get. That means I will be travelling all over the district, asking each and every citizen to volunteer their time, help and money in behalf of my candidacy.

"I'm very proud of the area in which I live, and I want to be the kind of state representative that all the friends I'll be making can be proud of," Mrs. Seamen concluded.

She resides in Edwardsville at 1813 Stanford Place.

Decorating at University Center for holiday season

The Goshen Lounge of the University Center at Southern Illinois University at Edwardsville will be the scene of a giant Christmas tree decorating party Thursday, Dec. 1.

A 20-foot Scotch pine, a six-foot Scotch pine and eight three-foot wreaths will be delivered to the University Center for the party.

Starting at 11 a.m., all students, faculty and staff are to participate in the decorating festivities.

Children from the Tower Lake Apartments on campus will arrive at 4 p.m. to decorate the six-foot tree in the Opaki Lounge.

The University Center Board Leisure Activities Committee will provide refreshments of Christmas punch and cookies for both occasions.

Meanwhile, all faculty, staff and student organizational offices will initiate the Christmas spirit by decorating their office doors at SIUE.

A contest will begin Dec. 1, and entries will end Dec. 9.

The doors will be judged Dec. 12 on creativity and originality.

NEW PROGRAM FOR HAIR LOSS

Frank Moran Shows He Regret Hair He Did Not Have Male Pattern Baldness
MIDWEST/ERICKSON HAIR CONSULTANT WILL EXPLAIN HAIR PROBLEMS AT THE TRAVELODGE 1200 19th ST. GRANITE CITY, ILL., FRIDAY, DEC. 2 HOURS 1 P.M. to 8:30

Chicago, Ill., Nov. 28—Mr. A. C. Erickson will be back in Granite City, Ill., Friday, Dec. 2. Now is the time to act on this great opportunity. Every man and woman now losing hair should take advantage of this FREE CONSULTATION.

GUARANTEED
You will be given a written guarantee on a pro-rated basis from the beginning to the end. Naturally we could not give you such a guarantee if it didn't work.

CAN'T HELP
Male pattern baldness is the cause of a great majority of cases of baldness and excessive hair loss, for which no method is effective. Midwest Erickson Hair Specialists cannot help those who are slick bald after years of gradual hair loss.

But, if you are not already slick bald, how can you be sure what is actually causing your hair loss? Even if baldness seems to "run in the family," this is certainly no proof of the cause of your hair loss.

Many conditions can cause hair loss. No matter which one is causing your hair loss, if you wait until you are slick bald and your hair roots are dead you are beyond help. So, if you still have hair on top of your head, and would like to stop hair loss and grow more hair — now is the time to do something about it before it's too late.

FREE CONSULTATION
Just take a few minutes of your time on Friday, Dec. 2, and go to the Travelodge in Granite City, Ill., between 1 p.m. and 8:30 p.m., and ask the Desk Clerk for A.C. Erickson's room number.

There is no charge or obligation... all consultations are private, you will not be embarrassed in any way.

1978 outlook— good, not great

For Illinois and the nation, 1978 looks like another good—but not excellent—year, much like the one just past.

That is the consensus of business leaders from all parts of the state, according to Lester W. Brann Jr., president of the state's largest business organization, the Illinois State Chamber of Commerce.

In announcing results of a poll of the State Chamber's 60-member board of directors, Brann reported "general agreement that 1978 will be a year of steady growth and continuing improvement in the overall economy."

Added Brann: "Despite uncertainties caused by inflation, Illinois' business outlook—and that of several key industries here—is generally optimistic and encouraging."

"The recovery will continue into the new year, though at a more moderate rate. We see a definite uptrend continuing for most economic indicators."

"Capital spending will be vigorous. Retail sales will also be strong, but not spectacular."

The survey respondents represent a cross-section of the state's economy. The board members are from large and small companies engaged in all types of commerce and industry from all parts of the state.

Representative comments received in the survey include — Lloyd C. Farquhar, president, East St. Louis Castings Company, East St. Louis: "The year 1978 should be somewhat better for our industry and our company than 1977 and 1976. Our business has continued to be depressed until just recently, even though many other indicators have shown an upward trend."

"This depressed state has been due to over-capacity and has been accentuated in our case due to the conditions within Illinois."

"The additional cost of operating because of the and business attitude of our state government in the last few years has made it increasingly difficult to compete with metal casters in neighboring states."

William S. Badgley, chairman of the board and chief executive officer, First National Bank of Belleville: "The Belleville area has shown excellent growth during the past year, and we are anticipating a continued growth during 1978. As part of the St. Louis metropolitan area, we

enjoy the benefit of diversified labor opportunity, so that unemployment is generally at a low rate."

"The development of a regional shopping center and the move of a major Air Force command to Scott Air Force Base have brought many new families to our community."

"We have also benefited from the services required to serve the growth of new residents. We are optimistic for new business opportunity in the ensuing year."

Richard R. Berry, vice president-manufacturing, Brass Group, Olin Corporation, East Alton: "Recovery from the 1975 recession has continued. We expect that business conditions will improve further in 1978, although there are some uncertainties and a distinct possibility that, toward the end of the year, we will approach a plateau in the economy."

"We are expecting the slow growth to continue through the first two quarters, but there is a chance the economy will begin to peak by the latter part of the year."

"The brass industry is substantially impacted by imports. When the worldwide economy is weak and the foreign price dips below the U.S. price, foreign mills have a distinct cost advantage using foreign copper, and they employ it to step up imports to the United States."

"Foreign copper prices have remained significantly below U.S. prices and there has been no letup in the pressure of imports on our business."

"Unfortunately, it now seems that foreign copper prices will remain materially below domestic prices until next year and we will continue to be faced with a continuing import problem."

"Import share of market has been contained at essentially the same level as last year, and we do not expect an increased level of imports next year."

"The pressure of imports upon prices in our industry, volume is good and is expected to increase moderately."

"Olin's position as a major producer of precision brass mill products, together with the substantial share of Olin property alloys in our sales, have combined to partially insulate us from this problem, which has impacted more heavily on our competitors than on us."

Sentenced for theft, burglary

Glenda Jackson, 2219 Fourteenth St., has been sentenced in Madison County Circuit Court at Edwardsville to serve six months in the Madison County Jail at Edwardsville and three years of probation.

Jackson pleaded guilty before Circuit Judge Joseph Barr to theft of a one-ton truck May 31 from Wilbur Waggoner Trucking Co., while parked in the 1300 block of Edwardsville Road.

It was recovered in Rolla, Mo., and two youths in it were arrested.

Jackson also pleaded guilty to burglary and theft for allegedly entering the building of Carlos S. Mitchell, 2322 Hemlock Ave., Sept. 19, and stealing a television set.

Judge Barr pronounced two sentences to three years probation and six months in the county jail, but the sentences will run concurrently.

Hurt on Route 111

The auto of Angela Ottelle, 4028 Stearns Ave., and Michael Anderson, Highway 162, collided on Route 111 south of Route 162 last week. Anderson was charged with failure to yield the right-of-way while pulling onto a highway from a drive.

Mrs. Amelia Kello, 65, of 2517 Poplar Road, a passenger in Angela Ottelle's auto, was injured and went to St. Elizabeth Hospital where she was x-rayed for pain to her head, right shoulder, upper right arm and right wrist. She was released after treatment.

ON THE FIRING LINE of the nearly completed pistol range of the Granite City Police Department, city officials examine two of the targets this month. Some grading still remains to control drainage but the range is being turned over to the police for their use. From left are: Paul Seebold, contractor of the \$50,000 project; Lt. Col. George Teller; Robert Stevens, city clerk; Mayor Paul Schuler; Monroe Brewer, city engineer;

Lloyd Bailey and Warren Decatur, aldermen; Edward Schulze, highway and traffic engineer and designer of the range; Police Chief Ronald Veizer; Alderman Everett Morien and City Treasurer Nick Petrillo. The range can accommodate 30 persons at a time and the targets are equipped with pneumatic controls capable of turning them between firings. (Press Record Photo)

Probation granted

Russell K. Pulley, 20, of 2106 Nameoki Road, has been sentenced in Madison County Circuit Court at Edwardsville to serve two years of probation and eight weekends in the Madison County Jail at Edwardsville after pleading

guilty to burglary.

He allegedly entered the Royal Order of the Moose, Lodge 272, at 19th and Adams streets, Aug. 15, and police allege seeing him leaving a rear door. Liquor and part of a blending machine were found in a small open trailer near the rear door, officers reported.

'78 will be active year for real estate

A strong real estate market will continue for 1978, according to Illinois Association of Realtors' President Walt Schlemer.

"There is no question that 1977 has been an excellent year for real estate in Illinois," Schlemer said. "The residential, commercial, industrial and farm land markets have all been extremely strong."

"Public confidence, responsive government at all levels, and increasing professionalism among realtors and realtor-associates have combined to bring new and vigorous life to the industry."

Anticipating the year ahead, Schlemer said, "There is every indication that 1978 will see a continuation of this growth. Consumer demand is high in all market categories, mortgage money is plentiful and at realistic interest rates, and there is a resurgence of individual pride in property ownership."

He is a past president of the Edwardsville-Collinsville Board of Realtors and is the first person from that board to be elected to the state association's presidency.

Looking to 1978, Schlemer said the major concerns of the association's members deal with politics and government.

"One of our first priorities is to find a way to reduce the disproportionate tax burden that property owners now have to bear," he said.

"Property taxes have reached the point that many homeowners are barely able to pay their taxes, and some are seeing their tax bills double. There must be some form of relief, and we are continuing our cooperation with government to find an acceptable alternative."

"The only other cloud on the horizon would be the possibility of increasing governmental intervention in real estate and finance," he said.

"People are beginning to realize that a realtor is more than a real estate broker."

"In addition to following a strict code of ethics, the realtor and realtor-associate has available a comprehensive program of continuing education in real estate."

"Through this commitment to educational advancement, association members can offer more professional, specialized and sophisticated service to the public."

"Our association devotes thousands of hours each year to helping protect the rights of citizens through legislative activities."

"By supporting constructive legislation and opposing detrimental bills, our members serve as a collective voice for property owners in dealing with all levels of government."

Stricter real estate licensing laws, more protective condominium laws, other consumer protection legislation, and modernized home mortgage regulations were among recent legislative accomplishments Schlemer cited. Several boards of realtors in Illinois have been organizing a

"Realtors Wheel For Health" program to help elderly, infirm or low-income individuals meet their appointments for health care.

"A neighborhood revitalization program is also getting under way," Schlemer said, "with realtors offering counseling and other assistance to property owners to help preserve the existing housing stock."

"New construction alone will not be able to meet the demand for dwelling units, so we are trying to find ways of encouraging and assisting property owners to upgrade and maintain their homes in all communities."

"All things considered, Illinois' real estate market should be among the nation's strongest in 1978."

South wins Red Hill Thanksgiving Tourney

By PETE HAYES
Press-Record Sports Writer
Granite City South Coach Don Deterding, you'd think that his Warriors basketball team was 3-0 but had a lot of things to look forward to.

Actually, they're 3-0 and STILL have a lot of things to look forward to this season. But Deterding does express a need to work on a few points before getting too far into this season. The Warriors won three straight games on Friday and Saturday and won the Red Hill Thanksgiving tournament with relative ease. They defeated Albion of Edwards County 48-30 Friday night, crushed Oblong 87-57 Saturday afternoon and slapped the hosts, Red Hill High of Bridgeport, 64-55 in the final and deciding game Saturday night. Red Hill and Oblong finished at 2-1, and Albion was 0-3.

"There are a lot of things we have to work on," said Deterding. "But overall, I was pleased with the progress that the team made here in only three games."

"I REALLY LIKE coming over here to this tourney," he added. "It's run efficiently, the hosts do all they can to help us... it's a pleasant experience."

But there's another reason Deterding likes the post-tourney day gathering. "Well, we'll probably never see any of these teams again all season (Bridgeport is about 150 miles east of Granite City, only nine miles from the Indiana border). Its sort of like an exhibition season for us."

"We can play three games under actual game-type pressure, perhaps improve our record and all at the same time, get our feet wet."

South 48 Albion 39

THE FIRST GAME for the Warriors Friday night was typical of almost every first-game-of-the-season for almost any team around. There were turnovers, miscues, but at the same time, a pretty exciting game.

Terry Angle provided the Warriors with their first points of the season two minutes into the contest with a reverse layup for a 2-0 lead. Tom Muhl scored the last points for South with two free throws with only 30 seconds remaining in the game. In between, there was a whole of a game.

The low score of the game wasn't really due to the defenses... it was the trouble

the teams had in executing their offenses. The Warriors led — by what would in most games be a first-quarter score — at halftime, 25-12.

The Lions of Edwards County came roaring back in the second half to close the gap to only three points, 25-22 with 3:59 remaining in the quarter. South then called a timeout.

Whatever Deterding told his charges must have worked. They scored eight unanswered points at the close of the quarter to notch a 33-22 lead.

To say THEY scored eight unanswered points isn't exactly correct... make that Terry Angle scored eight unanswered points. He hit on two ten-foot jumpers, a five-footer and a layup at the buzzer.

Angle scored 14 points all together in the South win. "I'm very pleased with the way Terry's coming along," said

Deterding. "When his game is clicking, he's a tough one to beat."

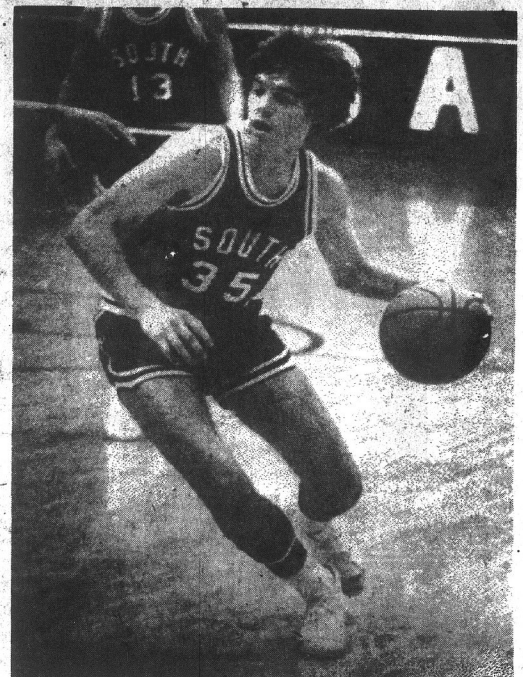

South coasted through the fourth period to notch the win.

South 87 Oblong 57

GOING into Saturday afternoon's game against Oblong, South didn't know what to expect. Oblong had defeated Red Hill by one point Friday and had the potential to be tough. Red Hill defeated South for last year's tourney crown and had just about everyone back from that team.

BUT IT WASN'T EVEN CLOSE. The Warriors jumped out of a quick 20-8 lead at the beginning of the contest and coasted all the way through. The height advantage for the

Press-Record Sports Lancers smash North, 84-54

By DOUG IRVIN
for the Press-Record

Last year, the Belleville East Lancers were ranked as the top percentage team in the area on successful free throws. On Friday night they were 24 for 28 attempts as they surpassed Granite City North 84-54 in Belleville.

The starting lineup for the North Steelers was: Bob

Beatty and Dennis Page at guards, Brad Gauen and Russ Chappell at forwards, and at center Rich Willard.

For Belleville East, the starters were: Jeff Lanier and Chris Louth guards, Brad Holley and Scott Lepore forwards and Bryan Leonard center.

The Lancers took the lead and never let go of it. North tied the

score only once; that was in the first quarter at 4-4.

THE ONLY INTERRUPTION in the first quarter was for a lost contact lens of Chappell. After a long search, the game continued... unfortunately for the Steelers. Just 23 seconds into the second quarter of play, Leonard began to show his talents. He took a pass from a fellow

Lancer, went airborne, and dunked the ball to bring the score to 21-16 in favor of Belleville.

With 4:08 remaining in the third quarter, Leonard went to the basket again with another crowd pleasing dunk. At the end of that quarter, the score was 68-37.

North put itself into full speed, outscoring the Lancers by two points in the fourth quarter, but needed more than that. The Steelers just couldn't keep up with the Lancers.

"We have to go inside, we have to go to Leonard's talents," said Don Onness, head coach of the Lancers.

"Louth played a good game and Lepore provided the necessary weak side help," commented Onness.

"Belleville East will make you grow up in a hurry," said Bill Ohlendorf, head coach of the Steelers.

"We just got caught standing around," commented Ohlendorf about his team's foul problem. Beatty fouled out in the third quarter and Cook in the fourth.

Wood River on Friday and Assumption on Saturday are the two upcoming games on North's schedule.

North, South spikers in district tournament Tuesday

Both Granite City North and South girls' volleyball teams will be involved in Class AA

district competition this week in the East St. Louis District.

South will play tomorrow night at 6:30, and the going could be rough. The team is pitted against the number one seed in the tourney, East St. Louis Lincoln.

North will play the hosts, East St. Louis Senior, at 7:30 p.m. Tuesday.

The winners of the first two games will meet Wednesday night at 7:30 for the title and the right to advance to the Belleville West sectional.

South Boosters to meet Tuesday

The Boosters of the Fighting Warriors of Granite City High School South will meet at 7:30 p.m. Tuesday in Room 150B.

South's state soccer championship is among the topics to be discussed.

North grapplers 7th in Chicago tourney

The North Steeler wrestling team left Thanksgiving evening for a long trip... all the way up to Chicago for the Niles East II team tournament.

The trip back was even longer, but not because they hadn't performed well... the usual six-hour trip from the windy city was made in a little over nine hours because of hazardous road conditions yesterday. But sandwiched in between those two long trips

was a pretty successful weekend for the North grapplers.

"I think we performed real well," said North coach Walt Whitaker. "Many of those teams up there were among the best in the state."

Whitaker forgot to include his own Steeler team among those he mentioned. They finished seventh in the 16-team affair and had one overall champion, one fourth place, one fifth place, and four consolation bracket champions. The Steelers finished with 69 points.

MAINE EAST won the tournament with 124 points.

South wrestlers sweep

For South wrestling coach Bill Schmitt and his Warrior grapplers, it was a weekend well spent. They won easily over both Danville (97-0) and Normal Community (48-11) in a double-dual meet Saturday in Normal.

Against Danville, the winners were: 98-pound—Rod Lupardus by default, 165-pound—Paul Willis over Korovich 16-0, 112-pound—Scott Clement pinned Jones (3:30), 119-pound—Wally DeShon pinned McCullough (3:18), 126-pound—Barry Forshee pinned Tarquin (1:49), 132-pound—Dean Perkins pinned Isehauer (1:06), 138-pound—Sam Perkins pinned Carter (3:35), 145-pound—Dwain Page pinned Gillian (3:46), 155-pound—Mike Forshe defeated Kelly 24-6, 167-pound—Bart Gardner defeated Dye 7-2, 185-pound—Mark Lemp won by default, heavyweight—Don King pinned Burns (2:27).

Against Normal, the results for South were: 98—Lupardus won White (1:09), 165—Willis pinned Hines (3:18), 112—Clement defeated Aldegren 12-0, 119—DeShon lost to Reimer 4-3, 126—B. Forshe defeated Fread 21-2, 132—D. Perkins tied with Butler 2-2, 138—S. Perkins pinned Ills (3:27), 145—M. Forshe defeated Hish 7-2, 167—Gardner was pinned by Hirsch (1:07), 185—Lemp was pinned by Groves (2:54) heavyweight—Dennis Scarsdale pinned Floyd (1:35).

"I felt we did well," said Schmitt. "Oh, it's always good to win so easily, but really we're just trying to iron out a few things and get it going for the rest of the season."

New promoter for race track

The next matchup for South is this Friday at home against Edwardsville.

Friday is preliminaries are set to begin at 6 p.m. The varsity contests begin at 7 p.m.

Schnucks, Blues will salute Joey Edwards at game

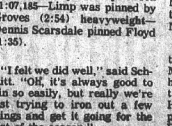

Joey Edwards, son of Mr. and Mrs. Cliff Edwards, 8 Jeanette Drive, has been selected as a winner in Schnuck's honorary stick boy girl contest. He has received free tickets to this Wednesday's game for seats near the ice hockey Blues' bench.

He will have his picture taken with player Gary Unger prior to the start of the game, and will receive free souvenirs to take home. In addition, his name will appear in lights on the Blues' message board, and his picture will be printed in Goal Magazine at the game, he attends, which will be against the New York Rangers.

Joey is eight years old, and a third grade student at St. Margaret Mary School. This is his first year to play hockey in the Granite City Amateur Hockey Association. He is playing goalie for the Mites Division.

THE FINAL TOUCH is applied by South's Jeff Tratter (44) in the Red Hill Thanksgiving tournament game Saturday afternoon against Oblong. The Warriors had very little trouble with the Panthers, as they handed them an 87-57 defeat.

Governor receives Madison state tournament tee shirt

Richard Corbin, principal of Madison High School, has presented Illinois Governor Jim Thompson with an honorary "state champion" shirt depicting Madison winning the 1-A state basketball championship in the 1976-77 season.

Governor and Mrs. Thompson, ardent sports

fans, were guests of honor at the Madison-Calhoun Hardin football game. The ceremony took place during halftime.

Larry Graham, coach of the state champions, received personal commendation from the governor.

Jones burns nets as ISU smashes St. Louis, 90-83

Former Madison Trojan Ronald Jones, now playing on the Illinois State University basketball team, singled the nets Saturday night in Keil Auditorium as his Redbird

It was the first game for both teams.

Jones hit on 10 of 20 attempts from the field for 20 points and grabbed six rebounds.

Jo Aerne, a 1976 graduate of GCIS South, has been selected to her second season on the Northern Illinois University women's intercollegiate gymnastics team.

Aerne is majoring in art

Cougars nip Vikings in three OT's, 3-2

The Southern Illinois University at Edwardsville soccer Cougars scored a big victory yesterday over favored Cleveland State in Cleveland, 3-2 in the championship game of the NCAA Midwest Regional soccer tournament. It ended a 10-game winning streak for the Vikings.

Three Cougar goals were scored by Cacciatore... two by Chris (including the winner) and one by his "little" brother, Jeff.

Chris scored SIUE's first goal and then socked in the clincher with just 18 seconds left to play in the third overtime to give the Cougars the victory. The middle goal was scored by Jeff.

John Tyma of Cleveland State

started off the scoring. Bob Merri crossed a pass to him and he headed the ball into the net past Cougar goalie Dave Dolphus for a 1-0 Viking lead at 50:23.

Then Chris Cacciatore tied it up eight minutes later on an unassisted tally.

The teams played scoreless soccer for about 30 minutes after that, until Jeff Cacciatore matched his brother's feat with a solo goal at 83:28. The Cougars only needed to hang on.

But SIUE's Tim Clark hung on a little too closely, and the Vikings were awarded a penalty kick with just 2:10 left in regulation time. James Paynter cashed in on the kick to send the game into overtime.

Then, almost three overtimes later, Freshman Don Ebert dribbled down the right side and crossed the ball to the elder Cacciatore brother, Chris. His shot beat Cleveland State goalie Fred Bass and the Cougars started making plans for their trip to Berkeley, Calif., this week.

SIUE matched the Vikings in shots, 19-19, and held a 9-7 edge in corner kicks. The game was originally scheduled for Saturday, but had to be postponed because of a snowstorm.

The Cougars, now 11-3-1, will play defending champion San Francisco University in the Division I semifinals at Berkeley Saturday, Dec. 3.

Cougar dribblers to open at home Wed.

For the first time in many seasons, the Southern Illinois University at Edwardsville basketball team will open its campaign with a home game.

On Wednesday at 8 p.m., Coach Jim Dudley's SIUE Cougar cagers will host Missouri Baptist College at Edwardsville's Senior High gym.

Coming off two consecutive

losses (12-15 in 76-77 and 13-14 last year) seasons, Dudley has high hopes of a winning season. "If our fine crop of newcomers and the veterans led by Keil Peebles can put it together, we'll have a winning year," he said.

After a month-and-a-half of

all-out practice sessions, Dudley feels that his charges are ready to roll. He saw his troops in action in an intrasquad scrimmage at Peebles' hometown in Johnston City.

In that practice game, none other than Peebles, "Old No. Thirty Two," led the first team, or Whites, to a 33-919 victory over the Reds with a game high, you guessed it, of 32 points.

Dudley admits right now that there isn't much difference between his squad's top

players, but he consented to rank them now in this order: Keil Peebles, point guard; at the wings, newcomers Bennie Lewis Jr. and Jeff Verstraete;

and up front, with a lot of chance of seeing plenty of action, will be Mike Waldo, Vince Barnett, Bill Branz, Jim Allen, Kevin Pawlow, Tom Schmidt, Dave Starkey and Jim Downey.

The following Wednesday, Dec. 7, at the same site, the Cougars will entertain Oakland City College of Indiana.

The veteran, in addition to "old Mr. Reliable," Keil

Peebles, who has pleased Dudley in early workouts, is Vince Barnett. "Vince, a senior from Decatur, has shown flashes of brilliance the past three years and then injuries have slowed him down. He looks like this will be his year," Dudley said.

ME... NO, ME! South's Rich Mosby (53) and Red Hill's Kevin Barker both have their hands outstretched in anticipation of receiving the basketball during the final game of the Red Hill Thanksgiving tournament Saturday night. South wins

(Continued from page 10)

Warriors was obvious. They hit the boards much better than Friday's game and ended up with a whopping 40-17 edge in rebounds.

With Angle and Tom Henrich leading the way, the Warriors breezed to a 40-20 halftime advantage and were never in trouble. Angle hit for 20 points while Henrich netted 14.

In rebounding, Greg Feigl smashed the boards for 13 to lead the team, while Jeff Tratter grabbed seven.

South 64 Red Hill 55

GOING INTO Saturday night's clash with the host school, South was in pretty good shape to win the tourney. The Warriors were the only undefeated team left in the tournament and had outscored their opposition by 39 points.

In case of a tie for the title in the round-robin affair, the point spread would be used to determine the champion. So, Red Hill would have had to beat South by 40 or more points. Not a likely occurrence.

It wasn't and they didn't. The Warriors gradually edged away from the Salukis in the second half to grab the title.

After a tie score at the end of the first quarter, the Warriors grabbed a one-point lead at halftime, 27-26.

TOM HENRICH was the main reason for the nudging away that South accomplished. He stole the ball away from Red Hill on many occasions, with the result being fast-break or one-on-one layups and two points for South.

The scoring outburst from Henrich was needed. Terry Angle had an off-night for South, scoring eight points and fouling out with 3:03 left in the third quarter, and the Warriors leading by only six at the time, 34-28. But Henrich was there ... and so was Greg Feigl ... and so was Rich Mosby.

Feigl scored 15 points for the Warriors and hit the boards well. "You've got to give Greg a lot of credit," said Deterring.

"He's only been able to practice with us for a week before the tourney because of soccer and it's quite an adjustment coming from soccer to basketball."

"In soccer, a player is told to keep his hands close to his body and not to use them ... we teach just the opposite in basketball."

But the pleasant surprise for Deterring was the play of Rich Mosby. "He's playing for the

first time since his freshman year," said Deterring. "We tried to get him to come out last season. And I'm glad he did this year."

THE 65 SENIOR came in for Angle and performed well, grabbing off key rebounds and hitting on several key buckets midway through the fourth quarter to keep the margin at eight points. But that lead didn't last long.

After leading 48-40 going into the period, Tom Henrich hit on a 20-foot jumper from the left side to give the Warriors a 54-44 lead ... all was going well.

That is, until Salukis scored nine of the next 11 points to close to within three points with 2:18 left in the game.

Most of the damage was done by Red Hill's Tracy Legg, a 6-foot senior guard. He scored seven of those nine Saluki points, the last two on a 25-foot jumper from the top of the key.

But with two minutes left, the Warriors went into a four-corner stall to try and ice away the victory.

They called a timeout with 1:30 left to iron out any of the kinks in the plan and then went right back to the same strategy. All Red Hill could do was foul South to get the ball. They did, but they fouled the wrong man.

They fouled a South player four straight times with less than a minute remaining ... and all four times it was Tom Henrich ... and all four times he made both ends of the critical one-and-one situations.

He scored eight points in all on free throws with less than a minute left. He netted 10 points in that fourth quarter. The championship belonged to South.

"Tom's really a clutch ball player," said Deterring. "He came through for us time and again and didn't choke on those free throws at the end."

"If he missed them and Red Hill had gotten the rebound, anything could've happened."

"One of the strongest points I saw in this tournament was the fact that we're really in pretty good physical condition," he added. "And we have good depth. I'd say we're at least eight men deep right now."

"We definitely are ahead of where we were time last year. Anytime you win three in a row, you've got to be doing at least something right, I guess. But we've got a long way to go yet."

South's next opponent will be Triad, on ice road, this Friday.

EARLY KILL for the 1977 deer season which opened in late November was this 110-pound albino doe, bagged by Bert Houston Jr., 2432 Wilson Ave., just one hour and 45 minutes after the 6:30 a.m. opening. Houston had just shot at one of four deer he had seen but missed and then noticed the snow-white albino. Houston made the kill near Nashville, Ill. The deer, season will again open on the weekend of Dec. 9 for three days, with the 6:30 a.m. to 4 p.m. times still in force.

Emil J. Ross dies at 67

Emil J. Ross, 67, of 4913 Carl Ave., died at St. Elizabeth Hospital at 6:50 p.m. Saturday, Nov. 27, after a long illness.

He had been ill several years, and a patient in the hospital one week.

Mr. Ross was born in Perryville, Ill., and resided in Granite City and the Quad-City area for 27 years.

He was a retired investigator of the Illinois Department of Transportation. He was a member of the Mitchell Presbyterian Church.

Mr. Ross is survived by his wife, Mrs. Hazel Ross; eight

children, Mrs. Clyde (Betty) Husted of Sacramento, Calif.; George W. Ross, with the Air Force at Ramstein, Germany; Douglas E. Ross, St. Louis, Mrs. Donald R. Ross of Uniontown, Pa.; Mrs. Robert (Judith) Aelsberger of St. Charles, Mo.; and Mrs. Charles H. Ross, St. Louis.

Survivors also include Miss Hilda of Affton, Mo., and Miss Janet Sue and Bonnie Ross, both of Granite City.

Also one sister, Mrs. Lucius (Bess) Huber of Perryville, Mo., and one stepbrother, Frank Gabel of Wisconsin; and 16 grandchildren.

Funeral arrangements are given in the obituary column.

Miss Greathouse, 18, dies

Miss Carol Ann Greathouse, 18, of 34 Rivera Drive, a lifelong resident of Granite City, died at 6:18 p.m. Saturday at St. Elizabeth Hospital.

She attended St. Elizabeth Catholic School and graduated in June 1977 from Granite City High School South.

Miss Greathouse was a member of St. Elizabeth Roman Catholic Church.

Miss Greathouse had been released from St. Elizabeth Hospital last week following six weeks of treatment for injuries

sustained in an auto accident. There is an inquest pending.

Survivors include her parents, Mr. and Mrs. Walter "Shang" (Mildred Hagen) Greathouse; three brothers, Walter Jr., Brian and Scott Greathouse; maternal grandmother, Mrs. Delia Hagen.

Funeral arrangements are given in the obituary column.

messenger services which take money to race tracks and place wagers for customers.

The First Appellate Court in Cook County has issued an injunction to keep law enforcement officials in the First Appellate District from enforcing the state statute, but the man forced the bail officer to be on duty in that district is not binding on that Appellate District, which is based in Mount Vernon.

The division, which was designed by Mrs. Garnett Shorb, will be maintained within the next year, will be articulated with those of nine surrounding community colleges in Southern Illinois.

Belleville Area College, East St. Louis, St. Charles, Olney, State Community College, John A. Logan, Rend Lake, Shawnee and Southeastern Illinois.

Byron's opinion followed an Oct. 31 raid by Granite City detectives who closed the Granite City operation and arrested a woman employee, charging her with gambling.

Finish Line Express also operated a messenger service at 300 Broadway in Venice, but Venice Chief of Police Ralph Dewey's attorney said he has not received any notification of the court hearing. Only Yelzer and Byron are named in the complaint signed by Durno.

Officials say they have been making periodic inspections of both Quad-City area messenger services, and have found them closed during each inspection since Byron's order was issued.

Meeting on avoiding home insulation fraud

Assistant Illinois Attorney

General Tim J. Bonanagay, head of the Consumer Protection and Franchise Division of the Illinois attorney general's office, has scheduled a meeting with representatives of Chambers of Commerce, the Illinois Commerce Commission, Illinois Power Co., the Better Business Bureau serving Eastern Missouri and Southern Illinois, and area police departments to discuss problems of home insulation.

The meeting will be at 1:30 p.m. Friday in the Cavalier Room of Fischer's Restaurant, 2100 W. Main St., Belleville. It will be followed by a press conference at 2:30 p.m.

James C. Schmitt, BBB president, will outline the insulation program that has been developed and will discuss concern over the possibility of homeowners being defrauded by unscrupulous contractors.

Other discussion will be the matter of insulation offers and the sales practices of some companies that are in or are going to get into the home insulation field.

Invitations to send representatives to the meeting have been sent to the Chambers of Commerce of Belleville, Wood River, Collinsville, Edwardsville, East St. Louis, Tri-Cities Area, Fairview Heights and Greater Alton.

The insulation program that has been developed by the BBB with the help of the Illinois attorney general's office, the Illinois Commerce Commission and area Chambers of Commerce to protect homeowners will be discussed at the meeting.

A 16-page pamphlet, "Facts On Home Insulation," designed to provide homeowners with an objective look at the complex topic of home insulation, has been made available, upon request, to individuals.

Homeowners in Southern Illinois having complaints may submit them to their Chambers of Commerce, if the company and the consumer are local. If the company is not cooperative or is not local, the complaint may be submitted to the Better Business Bureau office at 915 Olive St., St. Louis 63101.

The BBB will coordinate its efforts to correct the situation with the Illinois attorney general's office, the Illinois Commerce Commission, the Illinois Power Co. and the utility company. Any complaints indicating fraud or a violation of the Uniform Consumer Code will be referred to the Attorney General William Scott for possible action.

Suit copies circulated

Copies of a Cook County

Circuit Court summons naming Emil J. Toffant, 1534 47th St. (inaccurate address), Madison, are being circulated in the mail.

The Press-Record learned during the Toffant is a candidate in the Democratic sheriff primary election.

As noted in a Press-Record article Wednesday, Toffant had no involvement in the traffic case referred to in a suit filed in 1975 by Benjamin and Shapiro, attorneys for the plaintiff.

A copy dated Oct. 31, 1977, was issued by Morgan M. Finley, circuit clerk in Cook County, to an unknown person who now is circulating duplicates.

Contact with Attorney Shapiro last week verified that the initial listing of Toffant on Nov. 26, 1975, was related to a traffic case involving the car of the defendant's car was not involved, nor was he in Cook County, resulting in the case not being pursued.

The trial was to be set for the trial of Charles H. Ross, Sr., former assistant Granite City fire chief, on four felony counts of theft for allegedly possessing items stolen in Tennessee.

The trial was to be started Wednesday, Nov. 29, at 10 a.m. in the courtroom, but it is not believed his attorney is present.

Assistant State's Attorney Joe Brown, who is to be the prosecutor, said he was busy on another case, so the trial was delayed. He is waiting for Circuit Judge Joseph Barr to set a new trial date, hopefully for some time this week.

Tax cut

(Continued from page 1)

\$1,136,000,000 for Madison County. County Auditor John Kraynak noted that an increase expected in assessed valuation would make the county tax even less.

The County Board passed a \$283,944 tax levy to cover the county's share of its expenses in fiscal 1978. This year's tax levy, in comparison, was \$6,885,878.

The budget approved includes \$9,763,498 for the general fund (as compared to slightly under \$9 million for the current year) and \$12.7 million for special tax funds (as compared to \$14.5 million this year).

The new fiscal year's (December-November) budget also, includes \$12.7 million in a non-tax fund covering federal Manpower and Community Development monies.

An action totaling \$102,000 was tacked onto the sheriff's department budget for salaries and school incentive pay because of an amount incidentally being deleted by the finance committee.

Board Member Jack Franden asked that animal control money be transferred to the sheriff's department to employ more deputies to patrol rural areas.

He said a new law allows the county to do away with registration of dogs. There was discussion, but no motion was made for the changes.

The board added \$20,000 to the \$9,000 already budgeted for OATH, a private organization for the handicapped, in an amendment Wednesday. The county funded OATH two years ago but not this past year, it was said.

The board had hoped to approve salary contracts with its employees. However, employees of both unions involved voted to turn down a proposal from the county negotiating team.

The sheriff deputies, members of Operating Engineers Local 520, rejected the offer Tuesday morning. Members of Local 799 of the American Federation of State, County and Municipal Employees turned down a proposal in a meeting that night.

Herbert Milton, chairman of the county board negotiating team, said talks will continue. He said the issue of wages is the only unresolved part of the contract.

The board accepted, after much discussion, a Zoning Board of Appeals recommendation that the Southern Illinois Quarter Midget Racing Association be given a permit for a racetrack northeast of St. Jacob at Mick's Lake.

Legal changes for county departments included: Sheriff's department: \$1,428,000, compared to \$1,278,000 last year.

State's attorney's office: \$393,640, up from \$338,610.

Local service bus routes in Belleville: \$596,708, past year \$509,078.

Circuit court: \$410,466, compared to \$388,680.

Adult and juvenile probation: \$270,376 from \$218,732.

Public defender: to \$127,508 from \$126,400.

Nursing home: \$892,000 from \$845,778.

Detention home: \$260,973, from \$260,448.

Mental health: \$769,000 from \$681,000.

Public operations: \$519,850, from \$497,640.

Highways: \$1,207,300, from \$1,207,300.

Bridges: \$814,000, from \$745,434.

County Board: to \$264,700, from \$260,448.

NON-POLITICAL VISIT last week to a regular meeting of Granite City Rotarians, by Illinois Secretary of State Alan J. Dixon (left). The state official avoided emphasis on partisan matters in his talk to the club, but shook a lot of hands. Among those he greeted was a guest at the luncheon, Venice Mayor William M. Ebersoldt (right).

Couple hurt in Mitchell

A Springfield, Mo., couple was injured when their auto and the car of Edmund Davis, Bridgeton, Mo., collided at Route III and East Chain of Rocks Road, Mitchell, last week.

Andrew Chisholm, 62, the driver, and his wife, Mrs. Violet Chisholm, 57, were taken by Granite City ambulance to St. Elizabeth Hospital where they were treated and x-rayed.

He sustained a bruise to his right cheek and an abrasion to his right lower leg. She bumped her head on the windshield. Both were released after emergency room treatment.

POLITICS IS HIS MEAT. Illinois Secretary of State Alan J. Dixon (second from left) is shown going through the buffet line at last week's Granite City Rotary Club luncheon. Guest speaker at the meeting, the Belleville Democrat stressed in his remarks that government can be run as

efficiently as businesses, and that political leadership results require recognition that issues are "not entirely black and white, but shades of gray."

Bethesda Temple Christmas Bazaar

The Ladies Auxiliary of Bethesda Temple, 22nd and State streets, held their annual Thanksgiving day dinner party at the church, last week.

Following the dinner a lengthy discussion was conducted on the forthcoming Christmas Bazaar scheduled for Friday and Saturday, Dec. 2 and 3 in the church basement, from 10 a.m. to 6 p.m.

Also featured at the fund raising event will be a ham and bean dinner. The menu will include cornbread, slaw and dessert to cost \$2 for adults and children from six to 12 years old. Carry-out orders will also be available, it was noted.

The main attraction will be a booth for good used clothing which also will be included in the fund raising project, according to the bazaar chairman, Mrs. Connie Christner.

Those attending the dinner party were Ada and Donna Duff, Barbara Duff, Terry Duff, Betty Sanders, Connie Christner, Tammie Robertson, Sharon Hartline, Carolyn Dover, Gladys Ray, Ada Greathouse, Norma Oden, Sharon Munoz, Geneva Stevens, Brenda Browning, Mavis Moore and Ethel Reynolds.

EDWARD WILLIAMSON'S ANNOUNCE 1st CHILD

Mr. and Mrs. Edward Williamson III, 2807 E. 25th St., are announcing the birth of their first child, a girl, on Nov. 8 at Missouri Baptist Hospital, St. Louis.

The new arrival weighed seven pounds, nine and one half ounces, and has been named Kelley Jayne.

The mother is the former Karol McGovern, a daughter of Edward McGovern of Granite City, and the late Mrs. Geraldine McGovern. Paternal grandparents, Mr. and Mrs. Edward Williamson, also reside in Granite City.

SCHOOL ORDER

By order of the San Francisco Board of Education on Oct. 11, 1960, children of Japanese, Korean and Chinese origin were to attend an Oriental school.

The girls in Action of Calvary Baptist Church participated in an overnight book study last week at the Madison County Baptist Association Building in Mitchell.

Mrs. Kathy Cruse and Mrs. Delphine Kinder, co-leaders, led the girls in the study of "The Claimmaker," written by Roberta Ryan.

The girls served in Chili as a missionary from 1945 to 1961 and then became director of the Women's Missionary Union at the Baptist Spanish Publishing House in Guadalajara, Mexico.

The book described the bookmobile, bookstore and publication and distribution of Bibles and church reading material.

The Calvary girls learned a song in Spanish, used Spanish names and played Spanish music and games.

They worked on projects, including a 10-foot mural illustrating the stages involved in publishing Bibles, and the younger girls created a standup centerpiece depicting Spanish people with empty hands into which Bibles were placed.

The next morning, a film was shown of the Baptist Spanish Publishing House during the breakfast hour.

Mrs. Georgia Province, secretary of the Madison County Southern Baptist Association, guided a tour of the building, showing the offices and demonstrating the printing presses.

She explained how church bulletins are assembled and showed how various machines are used to publish the newsletters and bulletins.

The girls in Action group at Calvary Baptist Church includes girls from grades 1 through 6. Their goal is "missions" and they actively put to use all they learn about the needs of people through different mission projects, the leaders said.

Those taking part in the overnight book study were Carol Lane, Jackie Lane, Zebada Kinder, Jody Lipe, Michele Schriber, Stephanie Hayes, Kelly Worster, Jackson, Cheryl Jackson, Pam Gorman, Christine Ybarra, Mary Hayes, Penny Ybarra, Kathy Lane, and Mesdames Kinder and Kruse.

The 6% Happy Holiday Loan

for homeowners only:
\$1,000
for 3 months
for \$15

This holiday season you can buy that extra-special family gift and pay off other holiday expenses with ease. We'll help you with a very special, limited time offer.

The "6% Happy Holiday Loan" allows you, the homeowner, to borrow up to \$1,000 for 3 months at an annual percentage rate of only 6%. That's a lot less than if you put holiday purchases on bank or store charge cards.

For example, get \$1,000 now (when you need it most). In 3 months, pay us back \$1,000 plus only \$15 interest. Or we'll lend you \$500 for just \$7.50 interest.

But you must act now. This special offer expires December 23. So come see us today. We want to put the "Happy" in your holidays.

MR. AND MRS. MICHAEL HUNTER. They exchanged wedding vows at Trinity Tabernacle in Collinsville. The bride is the former Miss Carol A. Mabe a daughter of Mr. and Mrs. George O. Mabe of Granite City.

Carol A. Mabe becomes Mrs. Michael W. Hunter

The wedding of Miss Carol A. Mabe and Michael W. Hunter was solemnized on Nov. 5 at Trinity Tabernacle Church in Collinsville.

Officiating at the 5:30 evening ceremony was the Rev. Joel Henry.

For her wedding the former Miss Mabe designed and created her wedding gown in beige satin and lace. The delicate lace fashioned the sheer yoke and long sleeves, which terminated at the wrist with a gathered ruffle.

The semi straight skirt was encircled with a deep flounce at the hemline. She wore a lace floral headpiece to secure a short veil of bridal illusion and she carried a handmaiden bouquet of daisies and sprigs of net.

The groom chose a formal length blue and white chiffon dress designed with a V-neckline and flare sleeves. She also carried a bouquet of artificial flowers intermingled with blue netting.

The groom chose Kenny Combs as his best man.

Parents of the bride are Mr. and Mrs. George O. Mabe of Granite City. The groom is a son of Mr. and Mrs. Charles Hunter of Collinsville.

The former Miss Mabe is a graduate of Granite City High School North and is presently employed at Fox Photo Co., St. Louis.

The newly married couple are residing in Collinsville.

Strunk-Hamilton betrothal

The engagement of Miss Linda Marie Hamilton and Lawrence Thomas Strunk is being announced by the bride-elect's parents, Mr. and Mrs. Russell Claude Hamilton, 4461 Highway 162, Granite City.

Parents of the prospective groom, Mr. and Mrs. Harry Strunk, reside in Hazelwood, Mo.

Miss Hamilton is a graduate of Granite City High School South and is employed as a graphic artist at Monsanto Co., St. Louis.

The groom-elect was graduated from the University of Missouri at Rolla and is currently working as civil engineer for the U.S. Army Corps of Engineers.

Plans are being completed by the engaged couple for a February wedding.

Festival of Giving in Quad-City area

Area Brownie and Girl Scouts are busy preparing for the traditional Festival of Giving programs planned each year to provide gaily decorated baskets filled with canned foods, toys and other gifts to be distributed to needy families in time for Christmas.

The seven neighborhood organizations, which includes Brownies and Girl Scouts in the Quad-City area, will hold separate events and select the method of distribution, according to Mrs. Myra Parrish, district chairman.

The first event will be on Saturday, Dec. 3, at the First United Methodist Church, 207 W. Church St., Collinsville, hosted by Neighborhoods Six and Seven, under the leadership of Mrs. Barbara Phillip and Mrs. Judy Nichols.

Each year they host a Toy and Doll Show and also provide baskets of food which are donated to the Collinsville Kiwanis Club for delivery to needy families. Each troop will display their donation for judging in competition held prior to the entertainment when skits will be performed by the Girl Scouts. Following the program cookies and punch will be served to the families and friends who attend.

The following day, Sunday, Dec. 4, both Neighborhood Four and Five will hold their holiday project.

Neighborhood Four will deliver their food and gift baskets, decorated in a holiday motif, to St. Margaret Mary

School from 2 to 3 p.m., Dec. 4. Skits prepared and performed by the Girl Scouts will provide the afternoon entertainment for parents and guests, directed by Mrs. Bobbi Ponder, neighborhood chairman.

The baskets will be given to the Rev. Samuel Boda, pastor of St. John Lutheran Church and to Sister Marie Monica, principal of the school, who will in turn distribute the gifts.

Neighborhood Five will be entertained by John Apperson, local magician, from 2 to 4 p.m. Sunday, Dec. 4, at St. Elizabeth School cafeteria.

Mrs. Margot Clements, chairman of the neighborhood, announces a sing-along will follow the magic show led by Senior Girl Scout Troop 85. Each girl will receive a gift from her troop leader and the prepared food baskets will be donated to Catholic Charities.

Mrs. Mary Brown is serving as festival chairman for Neighborhood Five and will be assisted by representatives from each school in the organization, which includes Johnson, Maryville, Mitchell, Nameoki and St. Elizabeth Schools. Serving with Mrs. Brown will be Katie Wilson, Diane Baker, Vicki Jacobs, Linda Hale and Margaret Graboski.

Santa Claus will visit the Neighborhood Three festival from 2 to 4 p.m. on Saturday, Dec. 17, at St. John United Church of Christ, 2901 Nameoki Road, directed by Mrs. Linda Polette, chairman.

THE TYSON FAMILY, who will appear in concert at Suburban Baptist Church, 2500 St. Clair Ave., on Thursday, Dec. 1, at 7:30 p.m. From left is the mother, Mrs. Carol Tyson and daughters, Traci, Lesli and Julie and their father, David Tyson. Each member of the family plays an instrument and sings gospel music.

Concert at Suburban Baptist

Mr. and Mrs. David (Carol) Tyson and their daughters, Lesli, Traci and Julie, a family of gospel musicians, will appear in concert at Suburban Baptist Church, 2500 St. Clair Ave., on Thursday, Dec. 1, at 7:30 p.m., according to the host pastor, the Rev. Harold Garrett.

The guest family has one of the most complete musical

ministries in the field of gospel music due to the fact that each one sings and plays a musical instrument, he noted.

They have appeared in concerts, revival, on television and radio programs across the country. Rev. Garrett announces the evening of music is open to the public.

FIRST GRADE STUDENTS of St. Elizabeth Catholic School who visited with the residents at Colonial Haven Nursing Home and attended a Thanksgiving mass conducted at the nursing home by Father Kenneth Becker, last week. The students sang several songs and presented each patient with a small basket of straw flowers. First row from left, Claire Tanner, Richard Schaus, Darla Portell, Brian Moran, Cherie Spitzmiller, Stephen Uram, Eric Achenbach. Second row, Charles Hackethal, Scott Roy, Roger Schrenk, Tim Fitzgerald, Celina Ramirez, Julie Epps, Michael Patterson, Laurie Neukam, Christine Snowden. Third row, Darla Wilmeyer, Missy Daughtry, Carmelle Kabat, David Forys, Stephen Friedel, Jill Griffin, Susan Pinski, Kristin Hutchings. Back row, Bruce Hutson, Kellie Unfried, Chris Weathers, Thomas Casey, Danny Niles, Bryan Neidhardt, Dennis Lucido, Christine Gillan and Sister Mary Gabrial.

Auxiliary fetes Mrs. Seka

Mrs. Phyllis Seka, president of the Eagles Auxiliary, was honored on her birthday by members of the organization at a monthly meeting held at the Eagles Hall, last week.

The honoree was given a decorated cake and gift from the auxiliary and individual gifts from the members.

Prizes for the evening were won by Delores Sanders and Mrs. Baryske and luncheon was served by Mrs. Sanders, Mrs. Kathy Reed and Mrs. Shirley Robinson.

Missionary from Africa here

The Rev. Robert Folkestad, missionary to Mozambique and the Transvaal Mines, Africa, will speak at the Central Free Methodist Church, 4150 South St., Pontoon Beach, at 7 p.m. Friday.

The public is invited to hear the minister who served for several years in pastorates in Oregon and Washington before going to Africa.

A graduate of Seattle Pacific College in Seattle, Wash., and Western Evangelical Seminary in Portland, Ore., the Rev. Folkestad will review his experience in Africa while visiting the local church.

He and his wife, Marjorie, and their small son, Paul, went to Mozambique in 1973 to begin their missionary work.

Two years later, they moved to Wilbank, South Africa, the last Free Methodist missionaries to leave Mozambique. Mozambique is now closed to resident missionary work. The Rev. Folkestad, however, has been able to minister to the people by working with the Mozambique mine who have come down to work in the Transvaal mines.

Theological Education courses by extension in the Sheshewa dialect is being given in a half-dozen mine compounds, he said. Christian

literature is taken to them.

When their work contracts are finished, the men return home to Mozambique trained in the Scriptures and Christian leadership and are ready to reach their own people, the Rev. Folkestad explained.

The Rev. Richard Schuetz is pastor of the Central Free Methodist Church.

Arrangements of fall flowers centered the tables, which were decorated in a yellow motif for the social hour, by Mrs. Lois Baryske and her committee.

During the business segment a donation was granted for the United Southwestern Cerebral Palsy Foundation of Illinois, and a contribution was sent to the Marklund Home in Bloomington, Ill.

Reports were submitted by Mrs. Helen Frazier, secretary and Mrs. Leona Delaloye, treasurer. Mrs. Florence Hagnauer announced the names of members who are ill.

Four hundred Christmas calendars were sold a fund raising project, according to Mrs. Juanita Blevins.

1943 GC grads plan reunion

A reunion of the 1943 January and June graduating classes of Granite City High School South is being planned by a combined committee of the graduates.

The event is scheduled for June 17, 1978, at the Sunset Hills Country Club and will feature the music of the "Nu Tones" it was announced.

Reservations will be accepted by Mrs. Delores Ys at the January class and by Mrs. Elva Mae Spiceland and Mrs. Muriel Kratz, members of the June class.

Further plans for the social affair will be announced later and letters with reservation forms will be mailed to the classmates, the committee added.

"We are announcing the reunion in advance so those who live out of town and are required at their place of employment to make arrangements for vacation early in the year, will know of the reunion plans, the committee announced."

Judy Rae Paulson and Roger MacZura are wed

An out of town wedding of interest here was that of Miss Judy Rae Paulson, of Burlington, Vt., and Roger Warren MacZura of Warner Robins, Ga., on Saturday evening, at the Faith Lutheran Church in West Fargo, N.D. Miss Paulson is a daughter of Mr. and Mrs. Carl Paulson, 220 Eighth Ave., West, Apt. 192, West Fargo. The groom is a son of Mr. and Mrs. Warren MacZura, 3208 Aubrey Ave.

Bouquets of white spider mums and greenery decorated the sanctuary for the candlelight ceremony performed at 7 p.m. by the Rev. Ansgaar Rykken and Father John Moore, the latter is pastor of Blessed Sacrament Catholic Church.

Mrs. Warren MacZura, mother of the groom, sang "The Wedding Song" and The Lord's Prayer, accompanied by the church organist.

Due to the illness of the bride's father, the former Miss Paulson, was escorted down the white carpeted aisle by her brother, Larry Paulson. She wore a full length white Qiana gown fashioned with a softly flowing A-line skirt which extended into a chapel train. Venise lace, etched with pearls, accented the high neckline, Empire waist and cuffs of the long tapered sleeves.

She wore a melody length veil held in place by a camelot cap of Qiana and she carried a bouquet of white silk gardenias and greens. Matron of honor Mrs. Virginia Minette, a sister of the bride, selected a full length gold dress designed in a shirtwaist style with long full sleeves. She held a arrangement of

silk black-eyed Susans, and baby mums in bronze and autumn hues.

Terry MacZura, a brother of the groom, served as best man as proxy for Larry Weaver of Granite City. Ushers were Darren Minette, the bride's nephew and Keith Kibort, a cousin of the groom.

Mrs. Paulson was attired in a pale blue floor length dress and she wore a corsage of silk pink Sweetheart roses. The groom's mother, appeared in a kelly green Empire style gown trimmed with maribou fur at the neckline and on the sleeves. She wore a silk gardenia corsage.

Miss Laurie Minette, a niece of the bride, presided over the guest book and special scrolls were presented to guests by Miss Anne Paulson, a niece of the bride. The reception was held at the church immediately following the service.

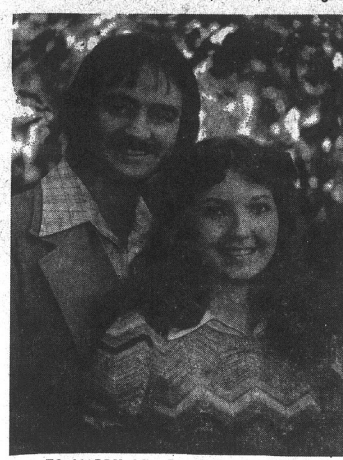

The bride is a teacher in the Burlington, Vt., school system. Her husband is a flight engineer for Zantop International Airlines, based at Warner Robins, Ga.

They will reside in Warner Robins.

Out of town guests attending the wedding included the groom's parents, his maternal grandmother, Mrs. John Scott, his sister Miss Meg Anne MacZura, Mr. and Mrs. Terry MacZura and sons, Eric and Ryan, Mr. and Mrs. Albert Kibort, Keith Kibort, and Debbie Jones, all of Granite City.

A reception honoring the newly married couple will be held on Saturday, Dec. 3, at the Operating Engineers Hall, Mitchell.

GRANITE CITY PRESS-RECORD Mon., Nov. 28, 1977 Page 17

TO MARRY. Miss Pamela Lewis and Gregory Embick whose engagement is being announced by her parents, Mr. and Mrs. Arnold F. Lewis, 3219 Amherst, Collinsville. A July 1 wedding is planned. (Honey Smith)

Embick-Lewis engagement told

Mr. and Mrs. Arnold F. Lewis, 3219 Amherst, Collinsville, are announcing the engagement and forthcoming wedding of their daughter, Miss Pamela Lewis and Gregory Embick.

The groom-elect is a son of Mr. and Mrs. Dean Embick, 8 Wildwood Drive, Edwardsville, formerly of Granite City. Both young people graduated from Collinsville High School in 1975.

Miss Lewis is a junior student at Southern Illinois University

at Edwardsville, where she is a Music Education and Performance major. She also is employed at the Ludwig Music Store in Fairview Heights, and is a member of Mu Phi Epsilon Fraternity at SIUE.

Her fiancé graduated this year from Belleville Area College with an associate degree in Law Enforcement. He is working as a timekeeper at the American Car Foundry in St. Louis.

The engaged couple plan to be married on July 1, 1978.

Business Women honor past presidents

Past presidents of the Granite City Business and Professional Women's Club were honored at its November dinner meeting at Charlie's Restaurant.

"Past Presidents Night," an annual event, was under the supervision of Mrs. Edna Kohlbrecher, chairman. In a solemn ceremony, white roses were placed at a memorial altar in tribute to past presidents who are deceased.

Candlelight illuminated the room when 11 past presidents were introduced. Each was presented red roses and reviewed events which transpired during her term of office. Special attention was focused upon Mrs. Dorothy Kieffman who served as president in 1929-30 and was attending the dinner.

She now resides in Florida. Other past presidents honored were Elvira Thurber, Dolores Allen, Vera Leung, Dorothy Davis, Helen Bischoff, Emylee Alford, Pauline Weir, Lil Marzili, Annellen Smith and Sylvia Wright.

Two distinguished guests present were Catherine Burton, immediate past president of the Illinois Federation of Business and Professional Women's Clubs, Inc., and Annabel Woodring, Illinois state recording secretary.

Florence Spahr and Mary Frances Lynch also garnered honors by receiving the Edith

DeGrote Award from Annellen Smith, Illinois state membership chairman.

The award signifies membership in the Business and Professional Women's organization for 25 years or longer. Louise Smith, public relations chairman, was the recipient of the Orchid Award and a note from Pillani Desha of Hawaii, national BFW president, in a presentation made by Ruth McCann, membership chairman.

It was explained the award is bestowed on a BFW member who sponsors three new members during the club year. Mrs. McCann also conducted an induction ceremony for Ruth Polson and Mildred Meehan, who were congratulated by Mrs. Lorene Sadrakula, president of the Granite City BFW Club.

In the business session, Ollie Derr, legislation chairman, distributed form letters and buttons to be signed and sent by members to various legislators encouraging them to support ratification of the ERA.

DRAMATIC ENCOUNTER between Miles Standish (Curt Jackson), left, and his friend and close companion John Alden (Ted Ellerman) during the St. Elizabeth Hospital's staff's enactment of Henry Wadsworth Longfellow's "Courtship of Miles Standish." The short play was presented last week in the Wiesman Room on the first floor of the hospital. The play was produced and directed by Jenny Tuetken of the public relations department. Ellerman is executive vice-president of the hospital and Jackson is the electrocardiogram and respiratory therapy director.

J. J. Braden dies at 87

Billy Joseph Braden, 87, of 2500 Delmar Ave., a retired assistant plant superintendent of Granite City Steel, died at 6:30 p.m. Thursday in his home. He became ill at his home and was pronounced dead by Edward Werner, Madison County deputy coroner.

Mr. Braden was born in Nameoki and was a lifelong resident of the Quad-City area. He was employed at the local steel plant 45 years. He retired in 1955.

Mr. Braden's grandfather, Isaac Braden, settled in the Nameoki area in 1817 before Illinois became a state. He and his wife graduated in 1909 from McKinley School, which was a high school facility at that time.

Mr. Braden was a member of St. Bartholomew Episcopal Church.

He was preceded in death by his wife, Mrs. May (Gardner) Braden in 1962, and also by a daughter, Mrs. Katherine May Stainton, in 1958.

Survivors include two sons, Joseph David Braden of Bloomfield Hill, Mich., and Roger Warren Braden of Munster, Ind.; one daughter, Mrs. J. R. (Lois Anne) Farney of Granite City; 10 grandchildren and 13 great-grandchildren.

Funeral services were held today. Details are given in the obituary column.

Youth shot, reckless conduct charge filed

Billy G. Stephens, 19, of 3002 E. 23rd St., was charged with reckless conduct after Charlie Spink, 19, of 3007 Illinois Ave., was shot on the forehead by a .22 caliber pistol at 1:25 a.m. Thursday.

Authorities noted the bullet had struck Spink over the left eyebrow, almost between his eyes, but apparently rebounded without breaking his skull.

Spink was taken by his mother to St. Elizabeth Hospital where X-rays showed the bullet had not penetrated his head. He signed himself out of the hospital.

Police questioned several persons including Stephens and a young woman who said she witnessed the shooting. She said Stephens was playing with the gun in the kitchen of Spink's home and it discharged.

Spink's mother heard a loud noise in the kitchen and alleged hearing Stephens say, "I'm sorry, I didn't mean to do it," as she entered and found her son had been shot.

Officers who arrested Stephens alleged finding what appeared to be gunpowder burns on his right hand.

Mrs. Legree dies at 91

Mrs. Huldia A. Legree, 91, of St. Louis, a former Quad-City resident for many years, died at 10:45 a.m. Friday at an Alton Hospital.

She had been ill three years and in the hospital the same length of time.

Mrs. Legree was born in Blufford, Ill. She is survived by four daughters, Mrs. Fred (Opal) Coleman of Orlando, Fla., Mrs. Melba Laber and Mrs. Charles (Ruby) Hindman of St. Louis, and Mrs. Mike (Alice) Mooshagian of Granite City, ten grandchildren and 7 great-grandchildren.

Funeral arrangements are given in the obituary column.

Art museum given major renovation

After nearly three years of renovation, the St. Louis Art Museum will be the scene of a public rededication ceremony at 10 a.m. Friday on the museum's front steps.

Mayor James F. Conway and County Supervisor Gene McNary will offer brief remarks and Joseph D. Duffy, chairman of the National Endowment for the Humanities, will be the keynote speaker.

Described as the "most ambitious renovation of an American art museum," it has upgraded an already famous landmark. Total cost for this project was \$6,500,000, of which \$2,900,000 came from local, state and federal funds.

Originally designed in 1904 by Cass Gilbert, who was celebrated for the United States Supreme Court building and New York City's Woolworth Building, the St. Louis Art Museum has improved its facilities by restoring original architectural details, opening the building to Forest Park, and re-establishing the four major axes, as well as by adding a new roof, skylights and climate control system.

Upstairs, a new gallery has been created for display of the museum's major collection of prints, drawings and photographs.

On the lower level will be primitive art — a collection ranked among the most important in the country.

A special traveling exhibition, "Turn-of-the-Century America, 1890-1910," will, open Friday morning and is regarded as an especially appropriate accompaniment to the reopening of the museum's turn-of-the-Century building.

News notes

The Illinois Commerce Commission, regulatory agency for Illinois' power plants, has begun a one-year study of power plant productivity and reliability. Results will assist the commission in its consideration of rate increase requests. Since construction and fuel costs are the primary reasons for rate increases, regulatory agencies have begun to take a hard look at steps which utilities are taking to increase the output and efficiency of existing plants, the ICC said.

Secretary of State Alan Dixon last week reminded motorists that Thursday, Dec. 1, is the first day 1978 auto license plates may be legally displayed on vehicles. Over-the-counter sales of the plates will begin at local banks that day.

Beginning Jan. 1, 1978, the Illinois Department of Public Health will require every restaurant in Illinois to post, in a conspicuous location, instructions concerning the "Heimlich maneuver" choke-saving method. Dr. Paul Q. Peterson, director, said, "The maneuver was chosen as the most appropriate method because it is safe, effective, simple and can be performed with instructions." Early next year, the staff of the Public Health Department will begin teaching the Heimlich maneuver and cardiopulmonary resuscitation (CPR) to restaurant employees.

Charles J. Rowe, director of the Illinois Department of Corrections, has announced appointment of a seven-member committee to review charges of discriminatory practices relating to minority staff members at the Stateville and Joliet prisons. The charges were made by the Rev. Jesse L. Jackson, president of Operation Push, and others this month.

Becker-Sudholt nuptials at St. Margaret Mary

St. Margaret Mary Catholic Church was the scene of the wedding on Oct. 21 of Miss Jill Edythe Sudholt, a daughter of Mr. and Mrs. Norbert H. Sudholt, 3222 Westchester Drive, and John Michael Becker, a son of Mr. and Mrs. John F. Becker, 2173 Robert Ave.

Father Edward Groesch officiated at the 7:30 p.m. double ring ceremony. The sanctuary was decorated with bouquets of white mums, pompons, palms and ferns, for the candlelight ceremony.

Organist Jack Jenkins accompanied Mrs. Joe Hilbreys as she sang, "More," "Somewhere," "Ave Maria" and the Lord's Prayer.

Escorted to the altar by her father, the bride wore a full length white organza gown featuring an Empire bodice and high neckline, enhanced with Chiny lace and Chiny lace bishop sleeves.

The A-line skirt was bordered at the hemline with a deep gathered flounce fashioned with triple rows of intricate lace extending into a cathedral train.

She wore a Juliet cap, encrusted with seed pearls, to secure a fingertip veil edged with matching lace. Her bouquet was a cascade arrangement of phalaenopsis orchids and canella foliage.

Matron of honor Mrs. Alec Harrison, a sister of the bride, chose a formal length rust polyester dress designed with an Empire bodice, high draped neckline and bishop sleeves with wide cuffs, and an A-line skirt.

The bridesmaids, Miss Mary Becker, a sister of the groom, Miss Malene Tolbert, Miss Vicki Harris and Miss Cindy Davis, selected identical designed gowns in an apricot hue.

Each attendant held a nosegay of daisies, carnations and pom poms in shades of beige and tan, and wore matching clusters of flowers in their hair.

James Edward Settle attended the groom as best man. James and Patrick Becker are brothers of the groom, Chester Fetter, Bruce Warning, Alec Harrison and Michael R.

Cochran, completed the corps of groomsmen and ushers.

Mrs. Sharon Matthews, a sister of the groom, attended the guest book at a reception held at the Officers Club of the Granite City Army Installation.

A rehearsal dinner was hosted by the groom's parents at the Heritage House, St. Louis.

The newly married couple took a honeymoon trip to the Bahamas and are now residing in Granite City.

A graduate of South High School, the bride attended William Woods College, Fulton, Mo., and Southern Illinois University at Edwardsville. She is now employed as a management assistant with the U.S. Army Automated Logistics Management Systems Activity, St. Louis.

The groom is a North High School graduate and works as a foreman for National Lead Industries. He also is a volunteer fireman for the Long Lake Fire Department.

For her daughter's wedding, Mrs. Sudholt selected a long Kelly green gown created with a cowl neckline, fitted sleeves and chiffon over skirt. She also wore a gold cymbidium orchid corsage.

The groom's mother, Mrs. Becker was attired in a long forest green dress and jacket ensemble trimmed with a gold braid. Her corsage was composed of white cymbidium orchids.

"GLORY IN HIGHEST" CHRISTMAS CONCERT

"Glory in the Highest," a Christmas concert by the Belleville Area College Community Chorus, assisted by the College Choir, is scheduled for St. Henry's Catholic Church, 315 W. Main St., Belleville, at 8 p.m. Saturday, Dec. 3.

The concert, in addition to the 85-voice chorus and 23-voice choir, will feature an orchestra of 15 A. Dennis Sparger is conductor. Works performed by the groups include Antonio Vivaldi's "Gloria" and Ralph Vaughan Williams' "Fantasia on Christmas Carols."

Burglars loot Sieb's Tavern

Liquor, cigarettes and other items were stolen during a burglary at Sieb's Tavern, 2422 N. Main St., between 1:30 and 7 a.m. Saturday.

A rear door was forced open to gain entry and a board across the doorway was broken from the door frame. A cigarette vending machine was forced open and about 180 packs of cigarettes were taken.

Stolen from the bar were about 32 bottles of liquor, 50 bar towels, 20 candy bars, seven shot glasses, 30 frozen sandwiches, 12 cigarette lighters and other items.

Attempts to pry open the juke box were unsuccessful. Dried blood was found on the juke box.

Vern Nilsson dies at 83

Vern E. Nilsson, 83, of 2920 Grand Ave., died at 12:15 p.m. Sunday at St. Elizabeth Hospital where he had been taken two hours earlier.

Mr. Nilsson became suddenly ill at his home.

He was born in Pocatonia, Ill., and resided in Granite City 35 years. He was a retired employee of Granite City Steel where he worked 20 years.

He was of the Methodist faith. Mr. Nilsson is survived by his wife, Mrs. Eva Nilsson; two sons, J. Vern Nilsson of St. Louis County, and Norman Nilsson of Edwardsville; a daughter, Mrs. Robert (Jewell) Backs of Granite City; one brother, Charles Nilsson of Greenville, Ill., and eight grandchildren.

Funeral arrangements are given in the obituary column.

Man sought in Venice robbery

Venice police are seeking a suspect in an armed robbery at Garrett's Tavern in Venice at 7:45 p.m. Thursday night when the occupants of the tavern were struck in the face with the stock of a shotgun.

Police said Walter R. Bursey, 26, of 1221 Logan St., was taken to St. Elizabeth Hospital where he was admitted for treatment of a cut lower lip.

Witnesses at the tavern said the man carrying a shotgun entered and announced "this is a holdup." Witnesses reported that no one paid attention to the robber, and that he swung the shotgun at Bursey.

The man was gone when police arrived, but Mandanell Harrell, 1125 Logan St., told officers the robber took \$350 from him.

Bursey, who later was released from the hospital, was arrested at 1 a.m. Sunday on charges of aggravated assault, disorderly conduct and resisting an officer as the result of a disturbance at the apartment of Lola Hall, 134 Lee Wright Homes.

According to police, Bursey was taken to the apartment and refused to leave. Officers said they escorted him from the place but that he ran back in and they had to use force to remove him again. The complaints charged Bursey with threatening and fighting the officers.

2 boys caught in attempted break-in

Two 13-year-old Granite City boys are to appear before city juvenile authorities today in connection with a weekend attempted break-in at Bob's Bait Shop, 2317 E. 23rd St., at 9:40 p.m. Sunday.

Joe Raynor, owner of the bait shop, said he checked the building and saw two youths who ran as his auto approached. He noticed the wire mesh and window pane had been removed from the rear door.

Raynor chased the youths with his auto and caught one who ran into a nearby alley. He got the youth's name and released him. Police found the name given was a false one, but investigation led to the questioning of two other youths who admitted the incident, police said.

Entry to the bait shop had not been gained, the owner reported.

Appeals board hearings set

The Madison County Zoning Board of Appeals will conduct two on-site public hearings on Quad City area zoning requests Thursday.

The first hearing will be at 9:30 a.m. Thursday on Chouteau Island where Robert D. Skinner, Richard L. Wilkinson and Mr. and Mrs. Charles E. Hinkle are requesting a special use permit to place a 20 by 40 foot mobile home.

The property is in an agricultural district of Venice Township. They also are seeking a variance to place the unit in a flood hazard area.

The property may be reached by taking West Chain of Rocks Road onto the island to the first stop sign, right to the first

hardtop road and left to a "T" intersection, where the hearing will be held.

The board then will meet at 10:30 a.m. Thursday on Maryville Road north of the new City Temple Church where the Church of Christ is requesting a variance to develop land in a flood hazard area.

A church building and classroom facilities are planned for the property with is in an R-3 single-family residential district of Nameoki Township.

Conduct charge

Barbara Hayes, 40, of 1741 Walnut St., was charged with disorderly conduct at 9 p.m. Friday after she allegedly used abusive language to police officers in the lobby of the Granite City police station.

Police reported the woman yelled at police officers, alleging they had mistreated her son, Gary George, 18, of the Walnut Street address, who had been arrested earlier Friday evening on charges of illegal possession of alcohol and reckless driving.

George was arrested at 6:10 p.m. Friday, officers said, after that he had tried to run down a 14-year-old boy three times, with his car. Henry Garcia, 17, of 1821 Maple St., who was with George, was charged with illegal possession of alcohol.

Mrs. Hayes was released on \$35 bond pending a hearing.

Cong. Price serves as intermediary between Israel, Egypt leaders

Congressman Melvin Price (Dem., 23rd Illinois), returned last week from leading a Congressional delegation that visited troubled spots in the Middle East and Africa.

Price, chairman of the House and Armed Services Committee, said he found the situation "exceedingly tense" in these regions, with a real possibility of further outbreaks of military action existing. He did, however, indicate "sincere hope that the recent visit of Egyptian President Anwar Sadat to Israel will reduce some of the tensions."

Chairman Price led eight other Armed Services Committee members on the mission, which left Nov. 6 and returned to the U.S. Nov. 22.

Members who accompanied Price were: Congressman Robert Wilson, ranking minority member of the committee, and Congressmen Lucien Nedzi, Robert White, William Dickenson, Robert

GRANITE CITY PRESS-RECORD

Daniel, Ronald Dellums, Marjorie Holt and Goodloe Byron.

Price announced that he will be making a detailed report to the full committee, but said in a press conference that several points deserved immediate comment.

He detailed the committee's role prior to Sadat's visit to Israel and said that his visit came at a particularly opportune time.

"On Nov. 10, the day after Egyptian President Sadat announced his willingness to visit Israel, we met with Israel Prime Minister Begin," Price said.

"We had a long talk, during which we discussed many of the factors involved in the settlement of the differences between Israel and the Arab nations, including Sadat's proposed visit."

"Begin then asked me to tell Sadat he would be glad to see him and that he was ready to negotiate at any place and any time. Begin also asked me to tell Sadat that he would be glad to see him and that he was ready to negotiate at any place and any time."

"Two days later, when I met with Sadat, I gave him Begin's message. I was joined by all of the members of our group in encouraging both of these gentlemen in getting together."

Price continued, "I am happy

that the first meeting has now taken place and I hope most such meetings will follow so that some final resolution of the remaining differences can be attained."

Throughout the meeting with the press, Chairman Price emphasized the importance of events in the areas the group visited, and the chances for peace or war in the world.

"We visited eight nations in these troubled areas," he said. "We saw the Israel-Lebanese border on the day that retaliatory air strikes were made against forces in Lebanon that had made artillery attacks on an Israeli city the day before."

"We visited the desolate area between Israel and Egypt, where the United States citizens are monitoring the ceasefire buffer zone between the two nations."

"We also talked with the heads of state of six of these nations and the representatives of the two whose leaders were unavailable. Everyone welcomed our visit."

"They were eager to discuss their problems. They wanted to tell us what they would like the U.S. to do to help."

"Of course, some of the things we were told involved sensitive defense, economic and ideological matters which could adversely affect the relations with the others, and we welcomed our visit."

"The different regions and nations differed in their specific areas of concern. Price emphasized."

Israeli officials emphasized the impossibility of defending the narrow strip of Israel in the Tel Aviv region if they had to withdraw to borders set after the 1967 war.

"Emphasized over and over to us was the view that the 1967 border cannot be defended," Price said.

"We were told that machines of modern war could quickly cut across the narrow eight-mile width of Israel under the 1967 border, thereby cutting Israel in two without providing any significant time to prepare and carry out a defense action."

"They emphasized the need for a physical presence in the West Bank area. In fact, we visited two new settlements on the West Bank which are intended to provide the advance warning and first interdiction of any surprise attack from the East."

Price continued: "The same points were made relative to Israel's northern boundary in the Golan Heights and the Sinai in the south."

"They also told us that the economy of Israel cannot support a completely mobilized army at all times and, therefore, they must have the settlements of farmers in these advanced areas to provide time to mobilize."

"The residents of these settlements work the land and are trained to take military action in the event of an invasion."

One of the major concerns of Egypt, Price said, is an effort by the Soviets to build a belt of influence around Egypt.

He said the Egyptian leaders with whom he met made reference to Soviet efforts to establish spheres of influence in Libya and Ethiopia.

Egyptian officials also expressed grave concern over the need to get a permanent settlement of the issues between Israel and the Arab countries.

"Egyptian officials told us in no uncertain terms that a permanent settlement must be obtained next year, or war will result," Price said.

"We were told that nearly five years have gone by since the last military action, and if the Geneva conference is not successful in the next year, the negotiation route will be abandoned."

"It was their point that, if results are not forthcoming by that time, it is unreasonable to expect resolution of the problem by taking more time in negotiations."

Price indicated that these statements were made before President Sadat's visit to Israel, and he added that there may well be a different atmosphere within the area after the trip.

The Persian Gulf situation was emphasized in the group's visit to Iran.

The eight countries visited were: Israel, Egypt, Iran, Kenya, Somalia, Zambia, Zaire and Ivory Coast.

Iranian officials expressed concern over well-organized Soviet efforts to control regions around the Persian Gulf and, thereby, the Persian Gulf.

Chairman Price said he was impressed with the degree of military readiness he saw in Iran.

In reference to the importance of the Persian Gulf to Europe, Japan and the United States, Price said:

"The effort of Iran to remain militarily strong and determined to protect its position, and thereby prevent any intended Soviet domination of the Persian Gulf, is vital to the security of NATO."

"There is no question that cutting off the supply of oil to Europe would positively destroy the security of Europe as completely as any military action."

"Accordingly, the security of Europe depends on the efforts of

Iran to maintain order in the Persian Gulf."

Price also referred to complex and diverse conditions in the other African countries the delegation visited. He made particular note of the war area in Somalia.

"Of course, the situation in Somalia as it relates to the Ogaden region of Ethiopia is vital. There is real concern in Somalia that Ethiopians with Soviet assistance plan to take over the whole of Somalia."

"The Somalis made strong pleas for military assistance to protect themselves and defend against a possible attack from Ethiopia."

"Apparently, the situation in the Ogaden is unstable at present and bears close scrutiny, since it relates to the control of the Horn of Africa and the vital Persian Gulf sea routes."

"The greatest concern of the majority of the other African nations we visited," Price said, "was over the continued struggle for independence and majority rule."

"A number of leaders with whom we talked said that the efforts are so desperate in some areas that, if they cannot get help from the West, they will in most cases get it from the Soviet Union."

"We were also told that in certain instances the time for dialogue was running out and bloodshed could be expected."

Price said that throughout the trip, foreign leaders expressed the highest confidence in the U.S. They all asked for U.S. participation in some form to help reconcile the problems.

"It was even suggested that, since both sides in the Arab-Israeli disputes had such confidence in the U.S., the U.S. should take on the responsibility of coming up with the basis for an agreement."

"It was also suggested that the president of the United States could and should induce a settlement of the Somali-Ethiopian confrontation."

"A number of the people to whom we spoke had misgivings concerning Soviet interests or desires toward reaching an agreement at the forthcoming Geneva conference."

"But they were willing to take a chance, since they are convinced that the U.S. will override any disruptive efforts of the Soviets."

"Coupled with the number of requests for economic and military aid from all of these nations, it is obvious that the U.S. does not have the resources to satisfy them all."

"The only way this matter can be handled for our interests and the best interests of the free world is to develop limited and reasonable objectives and then carry them out."

"It appears obvious to me that we can't stay out of the leadership role these nations are pleading for us to take."

Face-to-face discussions with

leaders of volatile areas gave the delegation insight into the situation, the chairman said.

"I sincerely believe we did everything possible in the time available to us to get the facts. Although I'll admit there are a number of things in these troubled areas that we in the U.S. don't understand completely, I believe all of us who undertook this job are now much better equipped to deal with these matters."

The House Armed Services Committee, Price noted, has oversight responsibility for foreign arms sales, and he said the visit will allow the committee to better examine proposed sales.

"It is my sincere wish that our nation can help in doing the right thing in bringing peace and justice to this world," Price said.

Calling the journey "one of the most informative and rewarding fact-finding trips of my 33 years in Congress," he said the trip "made it obvious to me that many people in the world sincerely believe their only hope in getting justice is the United States."

Price added that, in accordance with committee policy, the delegation will be making formal reports to Congress, containing both public and confidential information.

Change in nutrition aid to aged

Assistant Secretary of Agriculture Carol Tucker Foreman said Friday that the U.S. Department of Agriculture will provide cash in lieu of commodities for federally-funded nutrition programs for the elderly in Illinois if the state elects the cashout option during the U.S. fiscal year which began Oct. 1, 1977.

The rule change, mandated by Public Law 95-65, enacted July 11, 1977, amends the VII of the Older Americans Act of 1965, will allow Illinois the option of receiving either foods, cash payments or a combination of both foods and cash equal to the value of the donated foods Illinois would have been entitled to receive.

Illinois, along with several other states in the Midwest, decided to take cash instead of commodities when Public Law 95-65 was passed. But with the new rule change, Illinois can now accept the third option which is to take both cash and food.

Whichever option Illinois elects will be binding until the end of the fiscal year. Previously, only a state which had phased out its food distribution facilities before June 30, 1974, could elect cash in lieu of commodities for such programs (Kansas was the only state affected).

Based on a projection of past meals served, Illinois is entitled to receive \$1.3 million in commodities for foods such as ground beef, frozen cut-up chicken, canned fruits, vegetables, meat, poultry and other foods during fiscal year 1977-78.

Illinois's nutrition programs for the elderly served an average of 260,000 meals per month during 1976-77. Josephine Oblinger, director of Illinois' Department on Aging, Springfield, runs the state's nutrition program for the elderly.

The Assistant Secretary also announced an increase in the level of commodity assistance to nutrition programs for the elderly from 22.25 cents per meal to 23.25 cents per meal, effective Oct. 1, 1977, though Sept. 30, 1978.

The increase is based on a minimum 25 cents per meal which was set by a Nov. 28, 1975, amendment to the Older Americans Act, and which must be adjusted each fiscal year to reflect changes in the consumer price index for food away from home.

Wheat payment in December

Lee Rogers, director of the Madison County Agricultural Stabilization Office, wheat producers will receive 1977 crop deficiency payments after Dec. 1 at rates of about 85 cents per bushel for allotted acreage planted, and 22 cents per bushel for allotted acreage not planted.

Any acreage above the allotment will not receive payment.

Rogers said that because the market price for wheat is below both the established target prices and the national loan rate of \$2.25 per bushel, farmers will receive payment for their planted and unplanted acreage of wheat.

Rogers cautioned that those wheat farmers who have not yet gone to certify their 1977 acreages will not qualify for this payment.

Before any payments can be made on this year's or next year's crops, he must receive the acreage reports and determine normal crop acreage on eligible farms. Failure to make this report results in loss of this year's payment and ineligibility for next year and future years' program benefits, he added.

Joe Wayman to speak Tuesday

Joe Wayman, a former teacher and a nationally recognized consultant, will speak on "Creating Expression in Young Children" at a parents meeting at the Title I Pre-School, 2925 Logan Ave., at 7 p.m. Tuesday.

The meeting also will be open to the public.

Wayman is a former consultant to the Illinois Gifted Program for two years as director of a media development program for the state of Illinois.

He has authored five record albums, co-written several books and produced two films.

2-6 years for store break-in

Robert Garner, 32, of 2028 Washington Ave., has been sentenced in Madison County Circuit Court to serve two to six years in prison for burglary June 13 at Feder-Huber Furniture, Niedringhaus and Delmar avenues.

Sentence was pronounced by Circuit Judge Joseph Barr at Edwardsville.

An off-duty officer heard glass breaking at the Feder-Huber building and alleged seeing one man enter the building through a broken window.

Other officers aided in searching the building and two were arrested inside.

Sanitary district appointment due in special meet Dec. 9

A third Madison County member of the Metro-East Sanitary District board will be appointed by County Board Chairman Nelson Hagnauer in a special meeting of the County Board Dec. 9, Hagnauer told the Press-Record Friday.

Hagnauer said that a suit filed by Robert Eastern, an East St. Louis member of the Metro-East board who is to be replaced by the appointee named by Hagnauer "has nothing to do with the appointment."

Eastern filed a suit in circuit court challenging the constitutionality of a law which provides that control of the sanitary district board lies with the county having the highest assessed valuation. The sanitary district lies partially within Madison County (the Quad-City area) and partially within St. Clair County.

Since inception of the former East Side Levee and Sanitary district in 1907, St. Clair County has had three board members by virtue of having the highest property assessment. Madison County has had two members on the five-man board of trustees.

The 1976 property assessment of Madison County exceeded the St. Clair County value this year, resulting in a change in the control of the board to Madison County.

Under the state law creating the Metro-East district, which replaced the former levee district last December, board members are named by the chairman of the County Board in the county for which the appointment is to be made.

Ground broken for new Madison school

Ground breaking ceremonies for the new school in Madison took place at 10 a.m. today.

The school will house sixth, seventh and eighth grade students and will replace the present junior high school.

The \$3 million dollar school will be built in the Maeris Industrial Park near the Madison High School.

The project, which has been several years in planning, has not set completion date. Construction could run 18 months.

School officials are hopeful of an earlier opening, but say this is highly doubtful and completion is now estimated in early 1979.

The new school is being paid for from an \$800,000 bond issue passed by the voters of Madison, with the balance coming from grants from the State of Illinois Capital Development Board.

The ceremonies today were marked by State Sen. Sam Vadalabene turning the first shovel of dirt. Local, county, and state officials were present.

Seek slate revision

By AL MANNING
Press-Record
Springfield Bureau

A group of downstate legislators sharply criticized the Democratic slate Wednesday, and suggested a new slate-making session be held.

State Rep. John Matijevich, D-North Chicago, a member of the Democratic State Central Committee, said he supports a petition drive to hold another slating session.

Matijevich said at a press conference there was too much emphasis placed on helping Democrats in Cook County and not enough downstate.

The four men attending the conference were given to the officials in advance of the trip, came from the sewage treatment collections in the districts pollution control department.

The four men attending the conference were given to the officials in advance of the trip, came from the sewage treatment collections in the districts pollution control department.

Slating, even with the new rules, didn't work well. They are willing to give it one more try next week at a new State Central Committee meeting. If that doesn't work either, then there ought to be primary

challenges."

Most of the criticism of the Democrats has centered on the endorsements of Richard Troy for attorney general, Jerome Cosentino for state treasurer and Roland Burris for comptroller.

Robinson also suggested a review of the endorsement for U.S. senator. Alex Seith was unanimously endorsed for the nomination over William Singer, but apparently Singer is considering a primary challenge.

How to get money out of your house without selling it.

You simply come to us for a real estate loan backed by your equity. Equity is the difference between how much your home is worth, and what you owe on it.

It's a valuable asset you can use to back a really big loan. For whatever you have in mind.

Real estate values are up, up, up.

So the house you bought just a few years ago probably would sell for a lot more than you paid.

Which means your equity is bigger. And the bigger your equity, the more you can borrow in a large real estate

loan. Right here. Right now. So the equity in your house is like money in your pocket.

**Helpful
turkey
hints
for you**

**KEEPING
YOU
POSTED**

Turkeys — long popular for holiday entertaining — now have become a year-round favorite. Here are some hints to help your family enjoy the festive bird:

How To Buy: There's a choice to suit every family at your Kroger store. In addition to the familiar frozen turkeys, now you'll find a new taste treat — fresh "chill-pack" turkeys and turkey parts — held at a very cold temperature just above freezing (the ideal temperature to maintain fresh poultry quality until cooked). You'll notice a few ice crystals but the turkey has never been frozen. Allow 1/2-1 lb. per serving under 12 lb. Over 12 lb., allow 1 1/2-1 lb.

Storage: Fresh Chill-Pack Turkeys may be kept in the refrigerator until ready to cook. Keep frozen turkeys in the freezer until ready to thaw.

Thawing: Never thaw frozen turkeys at room temperature or under hot water. Thaw in original plastic bag in refrigerator...24 hours for each 8 pounds. Roast thawed turkey within 24 hours. And don't stuff the turkey until you're ready to roast it!

Leftovers: Refrigerate or freeze leftover turkey immediately after dinner. And remember — an extra "planned-over" meal from your turkey stretches your food dollar.

TOTAL SATISFACTION GUARANTEE
Everything you buy at Kroger is guaranteed for your total satisfaction regardless of manufacturer. If you are not satisfied, Kroger will replace your item with the same brand or a comparable brand or refund your purchase price. We also guarantee that we will do everything in our power to have ample supplies of all advertised specials in our stores when you shop for them. If, due to conditions beyond our control, we can not sell an advertised special, we will substitute the nearest item in a comparable brand (unless such an item is available) reflecting the same savings or, if you prefer, give you a "Kroger Check," which entitles you to the same advertised special or the same special price any time within 30 days.

2 cups unsifted flour minus 2 tablespoons.
1/2 teaspoon salt
1 cup Missouri Dandy Black Walnut kernels (4 1/2 oz.)
1 teaspoon vanilla extract
5 large eggs or 6 medium eggs.
Drop each ingredient into an electric mixer bowl in the order given. Beat at high speed for 5 minutes. Pour into greased and floured 10-inch tube pan and bake in a 350 degree oven for 1 hour and 15 minutes. (Don't chop the nuts in advance; the mixer will do it for you.)
